#### I.O.D.E. DANCE

The annual "Autumn Frolic" of the Duncan Lawson Chapter, I.O.D.E., is always eagerly anticipated and the event this year will be held on Friday evening, October 27th, at Hollyburn Pavilion. Dancing from 9 o'clock. For twelve years the Chapter at this time of the year has entertained at a masquerade dance but this year a gay "Informal Frolic" has been arranged and the initial appearance of Calvin Winter's orchestra in West Vancouver assures the committee in charge of arrangements, that "gaiety" and "informality" will be the spirit of the evening. Favors, novelty dances, punch, refreshments and the genial Mr. Frank Anders as Master of Ceremonies, forecast a "Frolic" of real enjoyment. Interested patronage is being extended by Mr. and Mrs. Colin MacLean, Mr. and Mrs. J. R. Mitchell, Mr. and Mrs. H. S. Wood, Mr. and Mrs. A. Cromar Bruce, Mr. and Mrs. Gordon Robson, Mr. and Mrs. James Russell, Dr. and Mrs. F. E. Dorchester and Mrs. Norman McLeod.

Mrs. Alan McIntyre is general convener assisted by Mrs. Bernard Hayes, Mrs. James McIntyre, Mrs. K. Burton Forster, and Mrs. W. B. Small. Tickets are available from Chapter members. Admission 50c.

#### FOOTBALL

##### Juvenile League—Division II.

The local boys continued to display improved form when they defeated the Shamrocks (Vancouver) by 6 to 0 at Ambleside Park on Saturday. John Fiddes opened the scoring with a nice drive from outside the penalty area, which the goalies had no chance to save, and before the close of the first half Harper scored on a pass from Brine. Playing against the wind in the second half the local boys took complete control of the game, a good individual effort by Willingdon resulting in a pretty goal. This was followed by a goal by Love on a pass from Lester. Before time was called Lester had added two more goals. The forwards are now working well together, and continue to improve. The half-backs played well and kept their forwards well fed; Wemyss and Mason at back were always safe, but did not have much work to do. The line-up was: Aldred; Mason and Wemyss; Fiddes, Willingdon and Lester; Richards, S. Patterson, Harper, Love and D. Brine. Spare: R. Brine.

Next Saturday the game is at Ambleside against Ex-Gordons; as the first game against the Ex-Gordons was well contested, a good game is expected on Saturday.

#### P.T. A. NOTES

The Extension Classes for unemployed ex-students got off to a good start this week in its own quarters in the Pauline Johnson Annex granted to the Parent-Teachers' Association by the School Board for this special work. Reeve Leyland looked in on thirty-two students in the Motor Mechanics' Class under Jack Banks, on Monday evening, and offered congratulations and good wishes. On Tuesday afternoon the students in Applied Art, directed by Mrs. S. Derrick, made a good start for their proposed Christmas sale, some beautiful work being under way. In this connection Mrs. Derrick would be glad to receive tops of used suede and kid gloves, pieces of material and embroidery, which can be turned to profitable use by the students. Miss Elliott, the Schools' Nurse, made an encouraging start on Tuesday evening with a class in Home Nursing, which will be followed after Christmas with a course in Infant Care. Students taking this class will be entitled to sit at an examination for a certificate issued by the Provincial Board of Health. On Wednesday evening students commenced a study in Spanish under Mr. C. Reid. Most of the evening classes start at 7:30, and those wishing to enroll should phone Mrs. H. Selwood, West 670L.

The committee is endeavoring to establish a library for study purposes and those having suitable books to give or lend are asked to get in touch with Bruce Hamilton.

A collection to assist in the running costs of this work, is being taken up at the Political meeting which the P.T. A. is sponsoring at the High School on Saturday evening.

Caddie Master (to new recruit): "Now then, m-boy, hop to it. And don't let me catch you standing around looking dumb-like as if you was a member o' th' club."

"Sorry, Brown," said the doctor after the examination. "You're in a very serious condition. I'm afraid I'll have to operate on you."

"Operate," gasped Brown. "Why I haven't any money for an operation. I'm only a poor working man."

"You're insured, are you not?" "Yes, but I don't get that until I'm dead."

"Oh, that'll be all right," said the doctor, consolingly.
