MRS. R. P. STEEVES

Mrs. R. P. Steeves who has been chosen as C.C.F. candidate in the North Shore By-election, needs little introduction in C.C.F., educational or cultural circles. However, to those who wish to know her more fully the following information may be valuable:

Dorothy G. Steeves was born in Holland of British stock. She was educated in that country and passed there all the earlier period of her life. She is a Doctor of Laws of Leyden University. Her marriage was the result of a war-time meeting in Holland with Mr. R. P. Steeves, while the latter was awaiting exchange after three years as a prisoner of war in Germany. Mrs. Steeves was at that time working for the Dutch government as legal advisor in the office which regulated distribution of food and other commodities scarce in that country during the war years.

Mrs. Steeves came to Canada when her husband, now the principal of the General Gordon School, returned in 1919. Since then she has been actively interested in the work of many public organizations. She is a past president of the Women's International League for Peace, and of the Overseas University Graduates' Association, and is also a foundation member of the International Club. She was secretary of the League of Nations Society, during which period she edited their paper for school-age youth on League of Nations matters.

Before Point Grey amalgamated with the city she was appointed on the Point Grey Town Planning Commission and served in that capacity until that body was suspended by the Greater Vancouver Commission.

Mrs. Steeves is a member of the Provincial Executive of the C.C.F., a director of, and frequent contributor to the "Commonwealth." She is on the speaker's list of the P.T. A., and has addressed hundreds of associations throughout the lower mainland on educational and cultural subjects.

As a souvenir of the War she possesses a Red Triangle badge conferred on her in recognition of her services in Y.M.C.A. canteen work at the Hague, Holland.

She has behind her a wholehearted and efficient organization who have arranged public meetings throughout the entire constituency. In West Vancouver already one meeting has been held, with another booked for tomorrow, (Friday) night, in the Orange Hall at 8 p.m. Speakers will be Mrs. Steeves, and Dr. Lyle Telford, while there will be a fine musical program. Next week there will be a meeting in the Legion Hall on Tuesday evening, July 10, while on Wednesday, July 11, an afternoon tea has been arranged to which all women are invited. Any men wishing to attend will also be cordially welcome. Campfire meetings are under way at western points, while the final rally will be held in the Orange Hall on Friday, July 13.

Headquarters are open at the 1700 Block Marine Drive, beside the B. C. Telephone office.

Miss Margaret McIntyre has closed her studio above Hollyburn Post Office for the summer. Any interested in summer lessons can get in touch with her by phoning her at West 1881.

GARDEN SERVICE

The public are invited to a garden service at 8 p.m. next Sunday, July 8th, on the lawn facing the water at "Brockhurst," 2818 Bellevue Avenue.

FRAMAR MONTESSORI SCHOOL

A more charming scene could not have been seen than that in Mr. Crickmay's garden last Friday when the little pupils of the Framar Montessori School gave a Fairy Play, "The Sleeping Beauty, Briar Rose." The sunken garden and arbor made an excellent stage for the tiny fairy flowers in their dainty costumes to sing and dance and finally awaken the Queen Briar-Rose. All filled their parts most creditably, showing the love and patience Miss Crickmay had expended in training them, so overcoming the natural shyness of the tiny mites whose ages varied from 3 to 6 years. The accompaniments were played by Miss Frances Powell.

After the audience of mothers and friends were refreshed with tea on the lawn and the children at the prettily decorated tables in the attractive school room much appreciated songs were sung by Mrs. Stainsby and Norman Sewell, the afternoon closing with games for the children on the lawn.

SOFTBALL

Even Battersby on his bicycle couldn't catch the F.C.I. boys as they scampered around the sacks and crossed the home plate. When the dust had settled and the score-keeper consulted, it was found that the local boys had scored 16 times while the best the Diamond S boys could do was to get 4.

John Bell, talkative shortstop for F.C.I., knocked out a home run but it came when the bases were empty. F.C.I. pulled off a triple play when Crawford in right field pulled down a fly and then threw to Tom Neil at first who in turn relayed it to Tearoe at third to catch both runners off their bases.

On Monday, the holiday, F.C.I. defeated Young Liberals of North Vancouver 8 runs to 5. Bill Gentleman knocked a home run with two on bases while Archie on second base made an unassisted double play.

Last Friday Seeds passed out of the playoffs when Freeman's defeated them 26 runs to 10. On Wednesday and Friday of this week Freeman's will play West Van. Lumber for the right to meet F.C.I. in the finals.

This will be a two-out-of-three series and the third game, if necessary, will be played next Monday.
