### CHURCHES OF CHRIST, SCIENTIST

"SACRAMENT" is the subject of the Lesson - Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 8th.

The Golden Text is: "The bread of God is he which cometh down from heaven, and giveth life unto the world." (John 6: 33).

Among the citations which comprise the Lesson - Sermon is the following from the Bible: "And He said unto them, Cast the net on the right side of the ship, and ye shall find. They cast therefore, and now they were not able to draw it for the multitude of fishes." (John 21: 6).

The Lesson - Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Convinced of the fruitfulness of their toil in the dark and awakened by their Master's voice, they changed their methods, turned away from material things, and cast their net on the right side." (p. 35).

### SUCCESSFUL RECITAL BY PUPILS OF MRS. AND MISS WILSON

A successful recital was given last Friday evening in Dundarave Hall by the pupils of Mrs. Clara Wilson and Miss Hilda Wilson, A.T.C.M. A novel feature was introduced, in that each pupil played the pieces of one composer and wore the native costume of his country. All the pupils were happy and at home in their music, and there was no hesitation on the part of any of them. The vocal solos of Betty Blair and Dorothy Greenwood, the assisting artists, both of whom are pupils of Mrs. Colin MacLean, were very well received, and each was the recipient of a bouquet. A presentation of an electric clock from the mothers and a bouquet from Mrs. Hill were made to Mrs. Wilson, Miss Hilda Wilson also receiving a bouquet from Mrs. Hill.

### UNITED CHURCH

An enjoyable afternoon was spent at the garden party sponsored by the W. A. of the United Church held at the home of Mrs. G. D. Elgar on Tuesday, June 26. The lawns, with the profusion of beautiful summer flowers and shrubbery made a charming setting for the purpose. The tea table was decorated with delphiniums and snapdragons in pastel colors, and small tables set in the shade of the shrubbery and trees carried the same color scheme. Those pouring tea were Mrs. D. C. Ritchie, Mrs. J. B. Leyland, Mrs. J. R. Mitchell, and Mrs. Gordon Robson. Those who assisted were Mrs. R. Howieson and Mrs. William Blair. A bevy of young girls also waited on the guests. Conveners were Mrs. J. T. Watt, and Mrs. G. D. Elgar. Home-cooking was sold by Mrs. Duncan McMillan, Mrs. A. Menzies, and Mrs. S. A. G. Curry, while the candy stall was in charge of Mrs. E. Bell and Mrs. J. A. Davis. Mrs. F. F. Lovegrove's lovely voice was heard to good advantage in several songs. Mrs. G. Sheffield acted as accompanist. The West Vancouver Schools band rendered selections under the baton of Mr. Harry Hill. An interesting visitor was John Kyle, director of Technical Education for B. C., who was introduced to the band boys by J. E. Condon and addressed them briefly.

The Sunday School will meet as usual next Sabbath in the Church at 10 a.m. George Bell will occupy the pulpit in the morning at 11:15 o'clock and will speak on the Laymen's Conference at Vancouver.

The minister will preach in the evening at a quarter past seven.
