RYAN PFEIFFER / METROLAND

BROOKLIN -- Residents of a Brooklin neighbourhood, Ben Gamboa, Linda Lawton, and Ron Lane, with daughter, Rebecca, expressed concerns about a proposed development at the corner of Winchester Road East and Thicksen Road North they believed would bring problems to the area, including traffic and safety issues for pedestrians.

Middle ground found for Brooklin development

Council approved revised plan last month after several meetings were held to discuss traffic issues and other concerns

BROOKLIN -- Residents of a Brooklin neighbourhood recently banded together to make their voices heard after a development proposal threatened to bring increased traffic and other safety issues to their doorsteps.

Black bear sighted at Lyndebrook Golf Course

BROOKLIN -- A black bear was seen wandering around Lyndebrook Golf Course, located north of Garden Street and Robert Attersley Drive in Brooklin, on May 11.

Durham police responded to a call about the sighting at about 8:30 p.m. Sergeant Bill Calder said the bear posed no threat to residents and left the area shortly after officers arrived.

"They will tend to keep to themselves ... if anyone else spots them, we'll definitely attend just to keep assessing," he said the following morning.

Sgt. Calder added that bear sightings are not uncommon near forested areas across Durham. "Officers will go out, we'll check the area, ensure that it's safe."

For emergency encounters with black bears, call 911 or Durham police at 905-579-1520. For non-emergency encounters, call the Bear Wise reporting line at 1-866-514-2327. Visit www.ontario.ca/page/report-bear-problem-bear-wise for more information on what to do in the event of a black bear sighting.
