

OSHAWA

GOLF & CURLING CLUB

Durham Region's Premier Golf & Curling Club

An inspired combination of outstanding golf, first class banquet facilities, exquisite cuisine, and an exceptional six-sheet curling rink.

Established in 1906, the Oshawa Golf and Curling Club is a private, family oriented club created specifically for the enjoyment of its members and guests. Consisting of a championship Stanley Thompson designed eighteen hole golf course, a six sheet curling rink, full service restaurant, banquet and wedding facilities, all supported by dedicated, courteous and professional staff, the Oshawa Golf and Curling Club is a year-round facility offering something for everyone.

The 6,596 yard, 18 hole, par 72 golf course is truly a classic. Situated in a serene park-like setting, many holes are shaped by towering, mature trees while the scenic Oshawa Creek meanders through the property coming into play on several holes. Over the last century the club has undergone several changes to its appearance, yet what has always been consistent is the relaxed and comfortable setting that its' remarkable location provides.
