Home of Hugh MacLachlan, Mt. Pleasant

In 1801, the 112 acre farm at Lot 8 IREMP (1st Range East of Mt. Pleasant) was leased by Captain Joseph Brant, agent for Six Nations, to Gideon Olmstead for the term of 999 years.

The second owner was Henry Ellis (died 1888). He previously owned a house across the Mill Road that was burned during the War of 1812-14, in 1814. Henry rebuilt here. Wallace Ellis, Henry's son lived here for a time. Then Allan Ellis Henry's son, moved the house in from the Mill Road and gave it a half turn to put the fireplace on the west wall of the centre room. It was purchased by John Randall Ellis who was born on the farm September 11, 1810. A.W., son of Allin Ellis farmed here after his father.

In 1869, Dermid MacDermid purchased the farm. His wife was Annabella Dawson. They had two sons and daughters. He farmed here until 1908, then his son Alex, until 1922, when he died.

Then the farm was purchased by Alexander MacLachlan, who had married Elizabeth McDiarmid. In 1922 the price of the farm was \$7,000.00. Livestock etc, was \$2,000.00. Alexander MacLachlan died in 1928, his wife in 1930.

Since 1928 the farm was owned by his son Hugh, born 1900 in Lambton County, Inniskillin. He married Mildred Chatterson Burtch, born 1910, in 1938. They farmed here until their death in 1991.

Their daughter Helen inherited the farm, and sold it to Kenneth Guest in 1996. The house was severed from the farm and sold to William Kruis.

When the house was built, the fireplace sat on what is now the road facing south. It was later moved north and west and given a half turn making the fireplace on the west end. It consisted of a living room and two small bedrooms and an upstairs. At that time a cellar was dug under the whole house and a dining room kitchen, and second bedroom west and another above now five bedrooms. In 1925 a dormer and windows were added upstairs and the fireplace was rebuilt with a new chimney was added

FLASHBACK: Under the caption "Big Strawberries" The Expositor said: Mr. D. McDerimid of Mt.Pleasant visited our sanctum today with some specimens of the Triumphe de Grande strawberries which were calculated to make the mouth water. These monsters escaped Jack Frost's attacks, for they measured four and a half inches in circumference, and the quality was in proportion to the size."

He was very much respected as he was a friend to all, with a quiet, untiring Christian disposition, which made him beloved by all with whom he came in contact. The funeral took place Wednesday afternoon to Mt.Pleasant thence to the Presbyterian Church, where the deceased had been a life-long member. Rev. W. Carpenter was in charge of the service.
