

Council Seeks Businesses, Groups To Back Special Interest Scout Posts

The North Shore Area Council, Boy Scouts of America, will hold an "Explorer Growth" dinner at 7 p.m. Monday in the Hotel Moraine in Highland Park.

The dinner will initiate a program designed to promote sponsorship of Special Interest Explorer Scout posts by area businesses and organizations.

The council president, Archibald McClure of Kenilworth, will introduce the dinner speaker, Lee F. Shalhope, board chairman of Mid-American Truck Lines Inc., who will explain the businessman's stake in Special Interest Explorer Scouts.

Result of Survey

Special interest exploring is the scouting's answer to a recent nationwide study conducted by the University of Michigan Institute for Social Research which indicated 83 percent of all high school boys are more interested in vocations than anything else.

The program enables high school boys to become familiar with their chosen vocations by obtaining information directly from men who have succeeded in those vocations.

The professional men who agree to sponsor special interest posts serve as counselors and also provide a meeting place for the post, help set up a program of vocational study, and provide speakers who are familiar with special fields.

Method Is Explained

Under the program, for example, Scouts interested in medicine will talk with physicians, those interested in transportation with transportation executives, those interested in music with musicians.

Area businesses and organizations expected to be represented at the dinner include:

Deerfield—Deerfield Fire Department, Deerfield Jaycees, and Allis-Chalmers Manufacturing Co.

Glenview—National Dairy Products Corp., Glenview State Bank, and the Isaak Walton League.

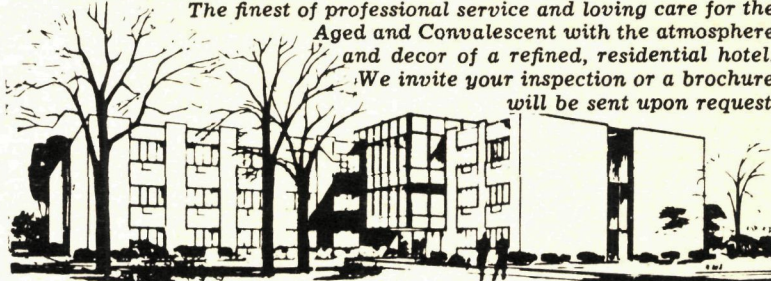

Winnetka—Winnetka Fire Department and First National Bank of Winnetka.
