

# Time Lapse Photographer Will Address Avoca PTC

John Nash Ott of Lake Bluff will be the guest speaker at the first 1966-67 meeting of the Avoca Parents' and Teachers' Club at 8:15 p.m. Tuesday in Avoca Junior High School.

Mr. Ott

Mr. Ott, director of the Time-Lapse Research Foundation in Lake Bluff, will discuss the effects of light on tumor development and the effects of radiation from television sets on brain tissue in humans and other animals.

Mr. Ott illustrates his talks with

time-lapse photographs which show gradual developments and growths covered in his lectures.

He began taking time-lapse pictures in 1927 as a hobby and in 1949 ended a 20-year banking career with the First National Bank of Chicago to organize John Ott Pictures Inc.

Mr. Ott is recipient of an honorary doctor of science degree from Loyola University.
