Like A Real Home

in every respect is our new funeral home, and those whom we serve find this home-like atmosphere most welcome.

It is our belief that while every modern mortuary facility should be available, the greater emphasis should be laid on the beauty and comfort of the furnishings of the establishment.

The best of care is none too good for your clothes. That is why we use only the very purest soap that money can buy—Ivory, the soap that is 99 44-100% pure. It doesn't harm delicate hands and fine complexions—you know that. So it couldn't harm your most prized fabrics—not in a thousand years!
