Urge Children to Enter Pets in Big Chicago Exposition

Children of the north shore towns have been invited to participate in the National Pet show to be held in the First Regiment Armory, Sixteenth street and Michigan avenue, Chicago, Nov. 15 to 18, inclusive, where a veritable Noah's ark of small animals will be on view, ranging from dogs, cats, goats, foxes, rabbits, turtles, monkeys to guinea pigs, and fishes, it is announced by George E. Pfisterer, Monadnock Block, manager of the show. Boys and girls will be given equal opportunity with the professional showers of animals, to win awards, Mr. Pfisterer stated.

The show is under the auspices of the National Pet Owners association, recently organized by prominent natural history enthusiasts who desire to encourage the humane treatment of animals, promote an understanding of and love for all domestic animals, as well as appreciation of wild life.

Entries for the show are being received by A. Henderson, entry man-

ager, at 1823 South Wabash avenue, Chicago.

The board of governors of the association is composed of Walter I. Lyon, president of the Inland Bird Banders' Association, Chief Justice Harry Olson, dog fancier, Mrs. Irene Castle McLaughlin, who maintains the Orphans of the Storm, a stray dog refuge at West Deerfield, Ill., Orpheus Moyer Schantz, president of the Illinois Audubon Society, George F. Morse, director of the Shedd Aquarium, Alfred M. Bailey, director of the Chicago Academy of Sciences' free museum in Lincoln Park, Mrs. A. F. O'Brien, secretary of the Beresford Cat club of America, and Herbert G. Shimp, authority on blooded horses.

Frank Hill, N. U. Track Coach, Is Club Speaker

The first meeting of the Tri-Ship club of New Trier High school was to be held Thursday evening of this week, with Frank Hill, track coach at Northwestern university, as speaker. The meeting was for sophomores, juniors, and seniors only, as a freshman reception is being planned for a later date.

800 Ministers Hear Bishop E. H. Hughes at Chicago Temple

Bishop Edwin H. Hughes, of 941 Sheridan road, Wilmette, gave the keynote address last Monday at a meeting of 800 Protestant ministers of the Chicago area gathered in the Chicago temple to discuss plans for a citywide campaign of evangelism. Bishop Hughes emphasized the importance of continued evangelistic effort the year 'round in every church.

The ministers attending the meeting adopted a resolution setting aside Sunday, October 7, as a day of common prayer for all Christian people, that Chicago might be rid of its criminally allied politicians in the coming election.

The event was the first union ministers' meeting of the season in Chicago and was held under the direction of the Chicago Church federation.

Mr. and Mrs. Thomas Adam Fitch have returned from their honeymoon in Bermuda and are at home at 1629 Granville street for the next few weeks.
