Prescriptions

Upon the quality of ingredients and accuracy of compounding depends the health of the patient.

You are safe at your Rexall Store, because only the best of drugs are used, and compounded only by registered pharmacists.

How Much HEADACHE Can You Stand?

SOME people seem to think they may really boast of their headaches, and break all records of endurance in the pains they can suffer from this vast source of misery. But there's no good in any headache and much harm may in fact be in store for those who

neglect repeated spells that possibly warn one of serious ills.

For simple headaches, we have simple and harmless remedies. For headaches that trouble you frequently, your doctor should be consulted at once. Then bring his prescription to Renneckar's.
