

HERE AND THERE IN THE WORLD OF WOMAN'S CLUBS

Tableaux And Special Music To Feature The Catholic Club Meeting

SEVERAL tableaux and some songs by the chorus will augment the program of the Woman's Catholic club of Wilmette next Friday afternoon, February 22, at the meeting in the Wilmette Woman's clubhouse. Promptly at 2 o'clock, Dr. Lapp of the School of Sociology at the University of Loyola, under the auspices of the Civic department will talk on the Maternity Bill now before Congress. The rest of the afternoon will be in the hands of the Fine Arts department. The chorus will open the program with the rendition of "Little Papoose." Next there will be a tableau, "Hiawatha" posed by Susan Conley and Winifred Seng. Mrs. Morris will give a piano solo, and another tableau, "Priscilla," posed by Mrs. Walter Miller, which will precede a guest song by Mrs. Roling and Mrs. Frank Kaye. Another tableau, "Betsy Ross and the Flag" posed by Mrs. Robert Holmes, Mary Patterson, Katherine Kelley, Catherine Bunte, and Cecelia Meyers will be followed by a paper written and read by Mrs. F. J. Oelerich on "Contemporary Poets." She will be assisted by Mrs. Austin Hayden of Chicago, who will read a few of the poems.

The hostesses of the afternoon will be Mrs. Charles R. Norman, Mrs. G. H. Schilbach and Mrs. John F. Wiedlin.

Swell Building Fund of Glencoe's Library Club

ON Thursday afternoon, February 28, at 2:30 o'clock, Mrs. Oliver Roberts of 916 Valley road, Glencoe, will offer the hospitality of her home for a bridge and Mah Jongg party which will be given to swell the Building fund of the Glencoe Woman's Library club.

The committee which is planning for the occasion, is composed of the following women: Mrs. Harry Wiley, chairman, and Mesdames William F. Weed, Edwin Buell, Edward Ravenscroft, Franklin Preston, Frank Miller, Frederick Clarke, Albert Gates, F. R. Harper, Chesley Perry, M. D. Rector, W. H. Titus, Clyde Ustick, and Arthur Brintnall.

Tickets are now on sale and may be secured either from Mrs. Wiley or from any members of her committee.

British Labor and Ruhr Topic at Club Meeting

MISS Lydia Schmidt, who returned recently from a fifteen months' study of the political, social and economical situation in Europe, will be the speaker at the next meeting of the Winnetka Woman's club on Thursday afternoon, February 21, at 2:30 o'clock. She will take as her subject "British Labor and the Ruhr."

The Education department, of which Mrs. Harry Gottlieb is chairman, is in charge of the program. The hostesses for the afternoon will be: Mrs. C. Anderson Aldrich, Mrs. E. V. L. Brown, Mrs. Raymond E. Durham, Mrs. Joseph H. Brown, Mrs. Francis A. Lackner, and Mrs. Howard T. Walsh.

DEATH TAKES SON

Word has been received from Huntington, Long Island, of the death on Tuesday, February 12, of Stanley Clague Gale, son of Mr. and Mrs. Daniel Gale. Mrs. Gale was formerly Miss Elsie Clague, daughter of Mr. and Mrs. Stanley Clague of Winnetka.

Winnetka Woman's Club Favors New Post Office

THE regular meeting of the Winnetka Woman's club on Thursday, February 7, was called to order by the president, Mrs. Wiloughby Walling. With the consent of the club the reading of the minutes of the previous meeting was dispensed with.

Mrs. Walling announced that the next meeting of the club will be held on February 21, and will be in charge of the Education department. Miss Lydia Schmidt will talk on "British Labor and the Ruhr."

A card from the Winnetka Chamber of Commerce was read, and Mrs. Walling urged that each one present comply with it, and send in a vote for a new post office.

On February 27 and 28, the second Mississippi Valley Conference on Industrial Legislation will be held at Hull House. On February 27, at 7 o'clock there will be a dinner in honor of Miss Florence Kelly and her twenty-five years of service in the National Consumers' league.

On February 28, there will be a luncheon at which there will be a consideration of the Children's amendment. Mrs. James Porter will make reservations for the dinner and luncheon, and a delegate will be sent to the meeting from the Woman's club.

Mrs. Walling then turned the meeting over to Mrs. Norman Harris, chairman of the Music department, who announced that the next meeting of the department will be on Thursday, March 27, when Miss Geraldine Farr, pianist, will give the program. She then introduced the following members of the Civic String quartet, who gave the program for the afternoon: Bertha Kribben, first violin, Almada Jones, second violin, Gertrude Earlv, viola, and Hilda Hinrichs, violoncello.

These young and earnest musicians, members of the Civic Orchestra of Chicago, gave a very interesting program. Their ensemble was good, and their pleasure in the music was more than reciprocated by the audience. To many, the most enjoyable number they played was the "Andante Cantabile" by Tchaikowsky, but the "Deer Dance" and the "War Dance" by C. S. Skilton were interesting novelties.

The hostesses for the afternoon were Mrs. Harold S. DeLay, Mrs. Frederick W. Edwards, Mrs. Robert H. Ross, Mrs. Marshall E. Schoenthaler, Mrs. William Wersted, and Mrs. Joseph Winterbotham.

"View Day" Feature of Library Club Meeting

THE next meeting of the Glencoe Woman's Library club will be a departure from the other programs of the season, for instead of meeting at the customary place to hear an address or a musical, the members of the club will go into the city Thursday, February 21, to have luncheon at the Illinois Athletic club at 12:30 o'clock. Commencing at 2 in the afternoon, the women will be entertained with an interesting and instructive tour of the Art Institute which will be conducted by Miss Parker, one of the teachers.

Reservations must be made by Monday, February 18. Tickets for the occasion may be procured from any members of the Program committee of which Mrs. J. Milton Trainer is chairman.

BUREAU OF OCCUPATIONS

The regular meeting of the Chicago Collegiate Bureau of Occupations will be held at the College club, Saturday, February 16 at 10:30 o'clock.

ORCHESTRA IN CONCERT HERE

Instruments to Be Explained for Children

By OBSERVER

It is hoped that all children and parents who look forward to choosing an orchestra instrument will attend one or both of the musicals that will be given in the Byron Stolp gymnasium on the afternoon and evening of Friday, February 15. The most commonly used orchestra instruments will be played and explained. The afternoon program is free, and for the nominal price of the evening concert the children may wish to bring an interested parent or two. They will all want to hear the Grammar School orchestra which was so warmly commended at the P. T. A. on Tuesday afternoon. Miss Lotz's Dancing class is an added attraction for the evening.

Each instrument in the violin family will be played separately and in ensemble, and several wind-instruments will be similarly played, then the two groups will be combined. The Grammar School orchestra has almost doubled in size since school began. New members need to know their instruments before joining the orchestra, and many have asked what instrument they should take lessons on, not being familiar enough with them to choose intelligently. We will try to help them choose.

If a musical foundation is started before a child is nine years of age, it stands a much better chance of maturing into a joy-giving accomplishment than it will if it has to contend against basket ball, dancing, swimming, and the like, as it does in the upper grades.

A year or two spent in learning to play on the piano is a good foundation for any instrument, but is not absolutely essential. If a small boy or girl has the promise of another instrument in the rosy future, it might help to spur their interest in the piano.

A few old favorite community songs will be tried with the orchestra accompaniment, and we would like an expression of opinion as to whether we should undertake the project, and suggestions as to how it should be financed.

COP FOURTH STRAIGHT

New Trier High school senior swimmers won their fourth consecutive Suburban league meet last week by submerging the strong Deerfield-Shields High school squad of Highland Park. The score was 37½ to 21½. The junior team also won from the upper shore boys 37 to 13.

Wandering Canines Come Under Local Police Ban

Superintendent of Police Denman reiterates his warning to owners of dogs to the effect that canines found wandering about the streets, particularly in the business section and near school premises, will be taken in charge by the police pending claim by the owners.

All dogs in the village must be

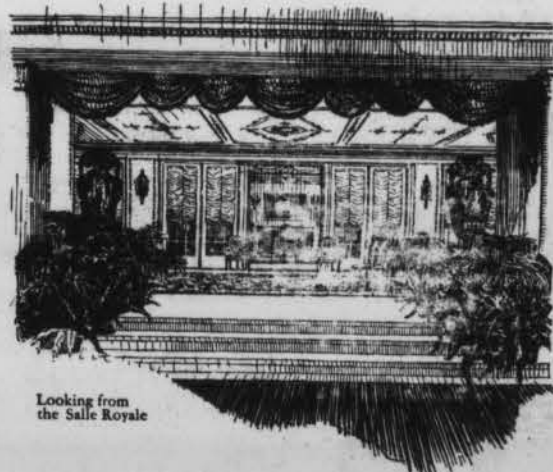

licensed (the 1924 fees are past due and payable.) The tags must be attached to the collar which it is required that every dog shall wear.

Dogs taken by the police will be disposed of unless claimed within 48 hours, as required by Village ordinance.

Major Denman emphasizes the fact that dogs permitted on the streets must be accompanied by responsible persons.
