# SCHOOL BALLOT HERE TOMORROW

### Howard Again Candidate for **Board President**

Election days have been coming thick and fast for Wilmette voters these days, but the public may find consolation and relief in the fact that there is at least one in the series which calls for neither argument nor flinging of the customary political buncomb.

Reference is, of course, to the annual School district election on Saturday, April 12, when the electorate of the village will be asked to poll a complimentary ballot for a splendid ticket of condidates who are offering their services in the interest of the continued development of our public schools along the most approved lines. As previously set forth in Wilmette Life, the ticket in the school election was endorsed at a joint meeting of representatives of the Logan and Central Schools Parent-Teacher associations, Wilmette Post of the American Legion and the Wilmette Improvement association.

ations, Wilmette Post of the American Legion and the Wilmette Improvement association.

Heading the ballot is the name of Arthur H. Howard, who is candidate for reelection to the post of President of the Board of Education.

Mr. Howard has served two terms as president of the board, giving a thoroughly progressive, and economical administration. He has made a careful study of local school needs and cooperated closely with Superintendent Harper and the teaching personnel of the schools in the matter of promoting the most acceptable methods of instruction. He has also supervised the erection of a modern school structure at 17th street and Washington avenue which will soon be ready to receive many children and thus greatly relieve the prevalent congestion in the schools brought on by the rapid growth of the village.

Recommended to continue in the service of the schools with Mr. Howard are Emma M. Boddie of 1627 Forest avenue, and R. Tencher of 507 Washington avenue, both of whom

walter I. Cox. 210 Broadway, is recommended to serve an unexpired term. He is introduced to the voters of the school district as a man vitally interested in educational matters and eminently qualified to have an

active part in the solution of local school problems.

Polls for the school election will be open from 12 o'clock noon, until 5 P. M. The polling place is at the village hall.
