

LEGGIONNAIRES CALLED TO CHURCH SERVICES

An invitation to attend Memorial services at the First Congregational church, Sunday morning, June 1, brought the following challenge to members of Wilmette Post, No. 46, of the American Legion, from R. C. Wessel, a member of the post:

"The attention of all members of the American Legion in Wilmette is directed to the kind invitation of the Congregational church, through its pastor, Rev. Stephen A. Lloyd, to attend the church services on Sunday morning, June 1, at 11 o'clock. It is urgently requested and desired that proper response be made to this invitation, as we are given to understand that the services will be in keeping with the Memorial Day spirit. Let us all make special effort to attend this service. There is nothing of greater importance and significance with respect to the future welfare of the legion than its active co-operation and interest in community religious life."

Police Prepare Summer Traffic Laws for Drive

Saturday and Sunday, May 31 and June 1, traffic will be policed by the Wilmette police on Sheridan road, Lake avenue and Sheridan road, and Central avenue. The regulation on these avenues will continue during the summer months because of the heavy traffic, Chief Denman has announced.

Starting June 14 Michigan avenue will be open for one way traffic only, according to Chief Denman. Automobiles and other vehicles will enter on the south end and leave in the north direction. This one way traffic regulation will be put into effect for safety purposes as well as to accommodate the heavy traffic on Michigan avenue. It will be open to residents of Wilmette only.

Trustees Hear Annual Report from Library

Figures in the annual report of Librarian Sue Osmotherly, submitted to the village trustees a week ago, show that the library now contains 8,672 volumes. Schools Defy Chill Winds To Enjoy Genuine Picnic

The first mixed picnic of 7 and 8 graders of the Wilmette schools and teachers of those grades was held in the Forest Preserve last week with 350 attending. Chartered buses brought the picnickers to the place selected for the day.

At the grounds the merrymakers were divided into eight prominent colleges. A horseshoe pitching contest for boys and a dollar pitching contest for girls were held. Other events followed and the group carrying the Yale name was victorious. After the contests a picnic supper was held and the happy group returned at 8 o'clock.
