Sellers Mastercraft

These beautiful cabinets with their many exclusive advantages are built like the finest furniture. Yet, they cost no more than other cabinets. They combine beauty and convenience with low price. They are made in a variety of styles and sizes and finishes. A Sellers Kitchen Cabinet saves much of the drudgery of kitchen work. It conserves energy. It enables one to do the work restfully—everything is scientifically and conveniently arranged—kitchen work becomes so much lighter and easier with a Sellers Cabinet.

## The Horton Ironer

The "Horton" is a beautiful Ironer, small, compact and thoroughly efficient and dependable. The height of the feed roll and the easy acting foot pedal are especially designed for comfort and convenience. With this wonderful ironer one of the most tedious of home tasks is reduced to less than one-third the time necessary under hand ironing. The roll is 30 inches, full open end, gas heated. Let us demonstrate it in your own home.

## The Horton Washer

The name "Horton" on a washer is a guarantee of quality—the supreme achievement in washing machine construction. The "Horton" is made by a manufacturer who has built washing machines for 55 years, and who spares not time, labor nor expense in reaching that which is nearest perfection. It is a washer you will like and on which you can always depend.
