THE NEW CAMPUS

A girl demanding the life of her own mother!

This is one of the powerful situations in "The Blind Goddess," Paramount's vital picturization of Arthur Train's mighty novel, which makes its local debut at the New Campus theatre next Monday and Tuesday, June 28 and 29.

Fortunately for all concerned the screen adaption of "The Cohens and Kellys," adheres closely to the original of Aaron Hoffman's famous stage play, "Two Blocks Away."

None of the delectable humor of the play has been lost in Universal's film version which will be shown Wednesday. The plot has been preserved and the choicest lines of the play have been incorporated onto the screen in the form of sub-titles.

Madge Bellamy is cast in the leading feminine role in Fox Films production, "Black Paradise," which comes to the New Campus theatre Thursday. Edmund Lowe and Leslie Fenton have the principal male roles. Others in the cast are Harvey Clarke, Doris Lloyd, Patrick Kelly, Paul Panzer, Edward Piel, Sam Blum and Jack Hallbrook.

"The Dice Woman," Priscilla Dean's latest Metropolitan star picture, in which John Bowers is featured as leading man, will be the feature attraction next Friday. The scenes are laid in this country and in China and they are said to be elaborate and thrilling. Gustave Von Seyffertitz is the villain in the story. The support is strong.

This Saturday, June 26, Henry B. Walthall will be seen in "The Unknown Soldier." This is said to be one of the greatest pictures in which he has yet appeared.

THE NEW EVANSTON

Marion Davies in "Beverly of Graustark" is the feature attraction at the New Evanston theatre this Friday and Saturday, June 25 and 26.

In the new picture, adapted from George Barr McCutcheon's famous novel, Miss Davies plays a dual role, the heroine masquerading as a crown prince in uniform. Antonio Moreno is leading man and Roy D'Arcy of "Merry Widow" fame, Creighton Hale, Paulette Goddard and other notables appear.

King Baggot, who directed "Lovey Mary" for Metro-Goldwyn-Mayer, the film coming to the New Evanston next week with Bessie Love in the leading role, is one of the most colorful personalities in the motion picture business.

He has directed pictures in which he also starred, has had the same dual connection with pictures he also wrote and once he wrote, directed and starred in a picture and played every role himself, a feat never before or since paralleled.

The Interchurch Advertising Committee express the hope that these weekly messages have been the means of making someone (perhaps you) establish the habit of regular Church attendance.

This is the final message of the Season; but all the Churches are "wide open" throughout the Summer: assuring you as ever a hearty welcome. Do not neglect the Church of your choice.
