Church to Start Series of Family Nights Next Week

Next Wednesday evening will mark the beginning of another of the series of church "family nights" which last year were so popular at the Congregational church.

It is an evening when Dad stops at the church on his way home from business and meets mother and the kids and all have dinner together—a la cafeteria—a good joyful old-time sing follows, led by the associate minister, Mr. McCormack, or as he is popularly known, "Mac."

Dr. Stephen A. Lloyd conducts fifteen minutes of heart warming devotion, bringing religion directly to the problems of every day living, and then there is a brief but authoritative discussion of matters of current interest. The evening closes with an informal "party" at which everyone has a chance to get acquainted with everyone else.

It was voted last year that these Wednesday night gatherings were near the top of the list in genuine enjoyment.

Provision is made that the children and young people may have their own "good time" group under expert leadership. All members of the parish are welcome. Phone reservations to Miss Harlan at the church office, Wilmette 1204.

Mrs. Foster Branson and Mrs. David Hall entertained the members of their bridge club and their husbands at dinner at the residence of Mrs. Hall, 800 Central avenue, last Saturday evening.

Mrs. William Harris of Williamsburg, Iowa, was the guest of her sister-in-law, Mrs. E. R. James, 1304 Forest avenue, over the past week-end.
