Beauty Lies in Healthy EYES

It's not so much the size or color of the EYES that makes them beautiful. Rather, it's the glow which radiates from them. Unless kept always clean and healthy, EYES lack this alluring lustre.

Millions of women throughout the world promote EYE health and beauty with *Murine*. It cleanses EYES of irritating particles and keeps them clear and bright. Contains no belladonna.

Arrange Benefit Bridge to Boost Girls' Club Fund

(Contributed)

Every girl at New Trier High school is a member of the Girls' club. One of the main objects of this club is to furnish financial assistance to deserving young women, to enable them to secure a college education and in some cases their education at New Trier.

This year the club is giving a benefit bridge party, to raise funds, and replacing the customary annual bazaar. It is a new venture, and the girls are most anxious to make it a success.

The Mess hall and all the available space around it, including the teachers' balcony and even the stage will be used for table space. Prizes will be given for each table, and a few high score prizes will add interest to the game. The prizes for high score have been donated by the Woman Teachers' club, a new organization this year at New Trier.

The party will commence at 2 o'clock, and continue until 4:30. At that time the doors will be open to the general public who are interested in the food sale. Delicious pies, cakes and puddings will be sold.

As this is a benefit bridge, refreshments will be sold at a moderate price. The reception committee will see that tables are secured by those who desire them. Single places may also be procured.

We urge all our friends to come and help us in this most deserving work. We offer you a pleasant afternoon, and interesting prizes; also the rare opportunity of buying some of the most delicious food imaginable.

Ask Aid for Families of Disabled Veterans

Friday afternoon of last week, Mrs. E. J. McArdle, chairman of the Woman's Catholic club committee for friendly co-operation with ex-service men, gave a party for Unit 8 at Great Lakes station.

Mrs. McArdle is asking anyone who wishes to do something for the disabled veterans at Christmas to donate baskets for their families. She asks that those wishing to contribute call her at Wilmette 2013 and she will call for them gladly.
