WEATHER MAN AGAIN MELTS ICE CARNIVAL

But Recreation Board Officials Assure Us the Big Event Will Be Held Sometime

After all the cock crowed thrice before Peter realized that it was Deity speaking; and the spider spun its web seven times before the Battle of Bannockburn could be fought and Scotland freed; and Texas tried three-score years and ten to get the Democratic Convention. But all these things came to pass.

Whereupon, recalling which, Daniel M. Davis, director of recreation, announces that eventually the second annual Wilmette Ice Carnival will be held on the Village Green. Announced for Saturday, January 7, the meet had to be postponed until last Saturday, January 14, because the warm weather had left the village rinks mere pools of water. From last Saturday it was postponed till tomorrow and, because of the constant warm weather, the Playground and Recreation board officials are not very hopeful of its taking place tomorrow, however, it will be held if possible.

A bulletin from the board this morning read:

"If there is even a portion of ice ready or available for skating, the meet will be held tomorrow. If it is not possible for us to have it tomorrow, it will be held on the first successive Saturday, that there is ice.

"It may be next week or it may be next month," Mr. Davis said, "but we are determined to have it."

Schedule Unchanged

viously announced will be followed. The preliminary boys' juvenile events will be held in the morning, beginning at 10 o'clock and the finals and adult events will take place in the afternoon. The north shore mile championship, the only event open to outside competition, will be held at 3:10 o'clock, and at 3:50 o'clock a fancy skating contest will be held. Following the meet William Ellerman of the Rogers Park Skating club will give an exhibition program.

JOINS AUTHORS' COLONY

Adelphi, that beautiful bit of old London which numbers among its tenants, George Bernard Shaw and Sir James Barrie, has added Carmel Haden Guest, a young English writer, to its list of noted literary folk. Her first book, "Children of the Fog" (Putnam's) has aroused special interest among such readers as H. G. Wells; Lion Feuchtwanger, author of "Power"; and John Buchan, author of "Green Mantle."
