Wilmette Girl Chosen as Queen of the May

To Mona Heller, daughter of Mr. and Mrs. Charles D. Heller of 808 Elmwood avenue, comes the highest honor given at the Southern Seminary at Buena Vista, Va., that of being chosen Queen of the May. She is to be crowned at the May festival at the seminary on May 12, with all due ceremony. The event always is one of the big affairs in that part of the country and is a festivity of beauty and charm. In the court of the May Queen and among her maids of honor will be two Wilmette girls, Emily Clagett and Elizabeth Goss.

Miss Heller, Miss Clagett, and Miss Goss have been on the honor role for the three years they have been in school and are all members of the same sorority, Beta Gamma.

Mrs. Heller is leaving about May 9, to attend the crowning of the Queen of the May, with all its attendant festivity.

Mrs. H. E. Griffen of Memphis, Tenn., who has been a visitor at the home of her sister, Mrs. O. E. Jelinek of 326 Greenleaf avenue, will return to her home next week.

A-1 Jobs Assured in Wolff-Griffis'

Shops

New Hardware Establishment Includes Material Expansion of Shop Facilities.

The new Wolff-Griffis Hardware store, which will be located at 1119-1121 Central avenue, will have a most complete machine-equipped tin shop. The new equipment will allow them to take care of many jobs that formerly had to be refused because of lack of equipment.

The work that will be undertaken on a larger scale is gutter spouting, general tin work, tile, tin slate and asbestos roofing. The roofing work will consist of all types of roof repairing, piecing, and replacing the old roof.

The general tin work will be more efficiently done by virtue of the fact that the new working quarters will allow the tanners more room to do their work, will supply them with better light, and give them more stock space.

A special department of the shop will be devoted to tool grinding. This will assure the people of Wilmette of A-1 jobs in lawn mower, axe, chisel and other tool sharpening.
