OUTSPEED THE CALENDAR—Here are pictured sixteen students of New Trier High school who are completing the four year course in less than the prescribed time. Some of these by energy and studiousness have managed to step out of high school in three years, others have completed their work in three and a half years, while one has completed the course in three and a quarter years. Three here shown, Howard Bleser and Haydn Jones of Wilmette and Hulda Kuhn of Glencoe achieved high grades which enabled them to gain membership in the Honor Society. They are: Top row—(left to right) Winslow Wright, Glencoe; Haydn Jones, Wilmette; Alexander Hoffman, Wilmette; Howard Bleser, Wilmette; Howard Zibble, Wilmette.
