### Burns Prove Fatal to Child in Hubbard Woods

Margaret Roberts, two year old daughter of Harry W. Roberts, 1009 Vine avenue, Hubbard Woods, died at the Evanston hospital at 9 o'clock last Friday night, as a result of fireworks burns.

Margaret was looking on about 2 o'clock on the afternoon of the same day while two sisters and two brothers set off Fourth of July sparklers on the lawn of their home. Her dress caught fire. Neighbors tried to save the baby by wrapping her in a tarpaulin.

The child's father is manager of the Hubbard Woods branch of the North Shore Ice company.

Charles Sanford Clarke of 526 Washington avenue has gone to visit Mr. and Mrs. Guernsey Clarke at Fairhope, Ala.

### Marshal Business Leaders to Boost 1933 Exposition

Industrial, commercial, professional, and financial Chicago is now organized for the Centennial celebration in 1933. Thirty-two great activities are now at work in the Enrollment campaign.

Stuyvesant Peabody, chairman of the Enrollment committee, systematically "went after" the business and professional men, with the net result that the thirty-two divisions thus far created are functioning with a distinguished leader at the head of each.

Men who weigh heavily in Chicago's life are thus carrying the message of the centennial, and the necessity for enrollment in the Chicago World's Fair legion.

Mrs. Charles R. Grossart of Belleville, Ill., is the guest of her parents, Mr. and Mrs. George E. Hartman of 1129 Elmwood avenue.
