Wilmette vs. Winnetka in Duel for Baseball Title

The race for the New Trier Township baseball championship remained idle last Sunday, when the three contesting teams, Wilmette, Winnetka, and Glencoe, engaged outside teams. This Sunday, however, action will be resumed when Wilmette visits Winnetka at the Skokie Playfield. In the two previous engagements between these two teams each club gathered a victory, consequently a very interesting game is in store for fans following both teams to the Playfield. The standing of the teams to date is as follows:

	Won	Lost	Percent
Winnetka	2	0	1000
Glencoe	2	2	500
Wilmette	0	2	000

Real Estate Boards Meet to Shoot Golf Tournament

North Shore Real Estate Board golfers got ambitious last week and stepped into a team battle with the player members of the Evanston Board at the Glencoe Community course. The result? "Well," as one North Shore player remarks, "Why bring that up?" But news is news and having to produce we learned that the score was 17 1-2 to 6-2. The winners for the North Shore Board were Andy Mouat, W. E. Bell and J. D. Austin. There's no necessity for mentioning the losers.

The North Shore boys aren't satisfied and there's going to be a return match in a couple of weeks.

Prior to moving to their new home in San Benito, Texas, Mr. and Mrs. E. B. Hinkly spent the week-end with Mrs. Hinkly's parents, Mr. and Mrs. R. D. Burtner. Mr. Hinkly is connected with the Central Light and Power company of the Rio Grande valley.

One Killed, Six Injured in Crash at Lake-Hibbard

An automobile collision at the corner of Hibbard road and Lake avenue in Wilmette Monday afternoon resulted in the death of one child and injuries to six persons. Norman Campanale, seven year old son of Tony Campanale, of 437 Provident avenue, Winnetka, was the victim of the accident. Those injured were: Tony Campanale, 33; his wife, Florence, 26; their son, Oranzo, one year old; Mrs. Campanale's sister, Mary Edna McGee, and Mr. and Mrs. James T. Hanley, of 827 Chestnut avenue.

The Campanale car, a light roadster, was going south on Hibbard road, while the Hanley car, a sport coupe, was proceeding west on Lake avenue. The cars crashed at the intersection of the two streets.

Members of the Campanale family were rushed to the Evanston hospital by passing motorists, where Norman died several hours later. Mr. and Mrs. Hanley in the other car were also injured, and were taken to their home where they were attended by a physician. Mrs. Hanley received a broken rib and several minor injuries. Mr. Hanley, who is vice-president of the American Wire and Fence company of Chicago, was badly shaken up.

Both cars were wrecked in the crash. The Hanley machine was thrown along the side of Hibbard road south of Lake avenue. The Campanale roadster turned over in a pile of dirt along the road, pinning its occupants underneath.

Wilmette Committee Gives Ride to Disabled Soldiers

The Ex-Service Men's committee of the Wilmette Woman's club gave another ride to twenty disabled veterans from the Great Lakes hospital on Monday, August 13. This time they drove to Kenosha and had their luncheon in the beautiful Kenosha park right on the lake.

Through the efforts of this committee more than sixty men from the United States Veterans' hospital, 105, North Chicago, have been taken by busses to the baseball game at Cubs' park, thus being able to take advantage of the passes which have been furnished them.

Miss Amy Kletzing, daughter of J. F. Kletzing of 522 Washington avenue returned the early part of this week from a week's visit at Jacksonport, Wis., where she attended a house-party.
