Strong Winds Fan Skokie Fire Into Big Conflagration

The picturesque Skokie staged a spectacular celebration Wednesday evening following the announcement of the North Shore Mosquito Abatement district, on Tuesday, that it had, on that day, terminated its mosquito warfare for this season.

A large area of the Skokie, from Winnetka avenue to Willow road and extending westward from Hibbard road almost to the river branch, was the scene of a great conflagration early Wednesday evening. The fire attracted hundreds of motorists whose cars lined both Willow and Hibbard roads for blocks, while the occupants "enjoyed" the spectacle.

High wind prevailing at the time swept the flames northward at a rate equalling the prairie fires of old.

Carl Miller, proprietor of the Winnetka Furniture company's store, located at 1500-02 Willow road, just east of the river branch, spent another night's vigil at his store to guard against an advance of the flames upon the building.

Large areas north of him have burned out during the past two weeks, he said, and recent fires to the south and west had about cleared the Skokie, with the exception of the vast area which was swept clean Wednesday evening.

As the blaze began to show signs of abating, Mr. Miller heaved a sigh of relief, declaring, "well, it will soon be over now for another year."

Junior Hikers Add Ten to Membership

The Junior Hikers of Kenilworth, organization of boys between the ages of eight and twelve years, this week announced the addition of ten boys to its membership, bringing the total to 80. Robert W. Townley, athletic director at Joseph Sears school and advisor of the club, stated this week that the membership is expected to reach 90 before Christmas. The club is now the largest boys' community organization on the north shore.

The club serves to emphasize the outdoor phase of boy life and to stimulate group meetings at regular intervals in the boys' homes, according to Mr. Townley. The program of the club for the year includes a meeting each week and one big hike per month. This month the boys will go to the forest preserve west of Glencoe next Saturday, November 24.

The club is making an effort to obtain a one hundred per cent enrollment of all boys in Kenilworth between the ages of eight and twelve.
