### Frederic B. Crossley Named Honor Member of Policemen's Unit

Frederic B. Crossley, of Wilmette, secretary of the School of Law, Northwestern university, was elected an honorary member of the Chicago Lieutenants' Police organization, a membership of this nature being the only one of its kind in the history of that organization. Heretofore only such men as lieutenants or sergeants were elected to memberships and Mr. Crossley is the first man to have such a high honor bestowed upon him.

The bestowal of such a membership was made after Mr. Crossley had addressed the Chicago Lieutenants of Police on "Plans of Reorganization of the Chicago Police Department." Secretary Crossley is a member of a committee of eight which had been recently appointed by the city administrators to investigate the efficiency of the present police organization in Chicago. Dean John H. Wigmore of the Northwestern university Law school is chairman of this committee. President Walter Dill Scott is also a member.

dent ticket, is the only opposition candidate. While Mr. Mau is theoretically against five candidates for the office, it is felt that his chief opponents will be Charles Miller and Peter Schildgren, both of Wilmette, where Mr. Mau would be expected to garner the most votes.
