N. S. Real Estate Market Shows Increased Activity

The north shore real estate market is showing an increase in activity especially in the homes ranging in price from \$30,000 to \$50,000, according to Quinlan and Tyson, Inc. The north shore office of that firm has sold six homes during the first twelve days of this month.

Buyers know what they want and when shown a property suitable to their needs are willing to pay the price, realtors state. This is a new house season in which the purchasers want the latest in modern accessories thus forcing the old house to be sold at some reduction. Vacant lots in desirable locations are becoming very scarce, thus forcing the price higher on the remaining homesites and making it necessary for builders to go farther north or west.

There is an active market on small acreage tracts in Northfield and adjoining territory, purchase being made for personal use. Some very attractive small estates are now being built along the Skokie ridge near the Sun-set Ridge Golf club.

F. P. Psenicka, Veteran of World War, Is Dead

Masonic funeral services for Frank P. Psenicka, World war veteran and a resident of Wilmette for many years, were held at the Bohemian National cemetery chapel, North Crawford and Fifty-second avenues, Chicago, Friday afternoon, March 15, at 2 o'clock. Mr. Psenicka died Tuesday, March 12, at the Great Lakes hospital at the age of 31 years after a lingering illness. He was a member of the Wilmette Masonic lodge and of the American Legion. Surviving him are his parents, Mr. and Mrs. James Psenicka, and one sister, Mrs. Anna Mestjian, all of Wilmette.
