Wilmette was certainly put on the map by the performance of the Drum and Bugle Corp of the American Legion Post No. 46 at the boxing show given by the 7th district on the north side last Monday night. Then, too, Joe Schneider's orchestra representing Huerter Post No. 660 American Legion drew the hearty applause of the audience by their many musical numbers.

Recitalist

"A young artist with home thoughts in his head and fingers with which to express them," is the manner in which Karleton Hackett of the Chicago Evening Post characterizes William Hughes the young pianist from Hawaii who appears in recital at the Shawnee Country club Sunday afternoon, April 14. Mr. Hughes' recital at the Shawnee is one of a spring series in which have appeared such notable artists as Howard Preston, B. Fred Wise, and Milan Lusk.

Mrs. Mary Louise Place Taken by Death Tuesday

Mrs. Mary Louise Place, widow of the late Nelson B. Place of Chicago, and mother of Lewis N. Place of Wilmette, died Tuesday morning at the North Shore Health resort in Winnetka, where she had been during the past winter. Mrs. Place was a member of the Chicago Culture club, the Coeducational Club of Chicago, the Daughters of Indiana, and the Eastern Star. Editor,

WILMETTE LIFE,

As a candidate for public office at the election to be held April 16, I feel that some explanation should be offered to the many supporters whose names appear upon the petition signed in behalf of my candidacy for the office of village trustee.

The petition was duly filed with the village clerk on Saturday, March 30, 1929.

I am informed that in consequence of certain supposed legal objections the petition has been, or will be, set aside by the village clerk.

Upon intimation that the question of validity had been raised, I sought legal advice. A copy of the findings of my attorney I left with the village clerk, Lea J. Orr, on Saturday last, with the request that I be similarly favored with a copy of the findings of any properly organized body duly authorized by law to pass upon the questions involved, that the case might be reconciled under proper legal authority.

Up to the time of this writing, Wednesday evening, April 10th, 1929, my request has not been complied with.

Why?

My candidacy for office was prompted by the request of two representative bodies of voters to fill a need for representation for an extensive area in which hundreds of thousands of dollars are to be expended for public improvement within the administration period of those members of the board to be elected to office on April 16.

The fairmindedness of the many signers of my petition of nomination, from all parts of the village, does, without question, endorse the right of this western area to adequate representation. I am therefore placing the matter before the citizens of Wilmette that they may go to the polls on April 16th fully informed, and in so doing I rest assured and confident that right will prevail.

Three trustees are to be elected.

If my name is withheld from the ballot, I am informed that each and every voter has the right to write my name on the ticket and then vote for one, two, or three trustees in the usual way. If this is done, the circle at the head of the ticket should not be used.

All that is asked is that fair and adequate representation be had for an area equal in size to the whole of the older portion of the village.

Yours very truly,

Arthur Lee,
West Lake avenue,
Wilmette.
