

Shawnee Club Music Programs Attract Large Audiences

By P. H.

The Shawnee Sountry club presented Milan Lusk last Sunday afternoon as artist in the series of musical programs given each week. Not so many years ago Mr. Lusk was starting on his career and making his first tours to foreign countries. Since those days he has played before many of the crowned heads of Europe, been entertained at Court, and feted and praised for his beautiful art in most of the states of America. It was a real treat to listen to his skilled work and his beautiful program last Sunday.

Mr. Charles Triggs, as chairman of the entertainment committee, deserves unstinted praise in his choice of artists appearing before members of the club and it must be gratifying to him to find such enthusiastic response from the club members.

On Palm Sunday, Howard Preston, a resident of Wilmette, and a singer of international reputation, gave a delightful program of songs before a capacity audience. Everyone was moved with the beauty of his voice and charm of his personality.

On Easter Sunday, at the regular hour, 4 o'clock, B. Fred Wise, with a very pleasing tenor voice, presented a most appropriate and well arranged program of songs. In spite of the inclement weather, the large lounge of the club was filled. Many of the members were unfortunate in missing the first part of the program, coming late, although the hour was announced as 4 o'clock. Mr. Wise opened with songs appropriate to the Easter season, following these with quaint early ballads
