

CIRCUS ON ITS WAY

Greatest and Best to Be Under Big Top on Campus May 3 and 4

Without a doubt, the circus is coming to town! Negotiations have been completed by the 1929 circus board of Northwestern university for a bigger collegiate circus than has ever been seen since circus days became an accepted part of Northwestern life.

Special features have been added to the program of events which will delight all circus fans. A bigger automobile show than ever before will attract the attention of the thousands expected to flock to the circus May 3 and 4. Contracts are signed with most of the larger dealers of the surrounding locality to put on an extensive display of all late models.

A larger ferris wheel has been obtained, the program of side shows has been enlarged to include many new features, including a snake charmer and a chairplane, and attempts are being made to arrange for an airplane show. A merry-go-round to fascinate the hearts of all kiddies who attach themselves to a balloon and a bag of peanuts will occupy a conspicuous place on the circus grounds north of the gymnasium.

New and Retiring Rulers Are Given Tokens by Elks

With the installation of new officers of the Evanston lodge of Elks last Wednesday, the retiring exalted ruler, William Lister, was presented with a gold card case bearing the letters, P. E. R., which are coveted among Elks since they represent "past exalted ruler."

Harper Payne, who was installed as the new exalted ruler, was given a watch fob at the same time. Organization of committees for the ensuing year was effected with the appointment of the following chairmen:

Entertainment, Frank N. Wohlleber; membership, David C. Malin; attendance, Edward C. Bock; hospitality, George Munroe; visiting, Charles G. Franklin.

High School Boys Will Hear About Flying Art

Roger Bronson of Lake Forest, who is connected with the United Aviation corporation, was scheduled to speak to the junior class boys of New Trier High school Wednesday morning on "Aviation as an Occupation." Mr. Bronson has an interest in the new Sky Harbor aviation field west of Glencoe. Other speakers who will tell the New Trier boys about various occupations in the near future are: Dr. Arthur L. Forster, of Winnetka, who will talk on medicine; Leslie W. Millar, of Wilmette, who will explain engineering, and Carl Scheffler, of the Evanston Academy of Fine Arts, whose subject will be "Commercial Art."

John Roemer, Ill Since Christmas, Dies April 3

John Roemer, of Wilmette, died at his residence, 2620 Glenview road, Wednesday, April 3. Mr. Roemer was born at Gross Point and had spent his entire lifetime in this vicinity. He had been ill since Christmas. Surviving him are his widow, Mrs. Susan Roemer, and four brothers, Peter, Joseph, George, and Simon, all of Wilmette. The funeral services were held Friday morning, April 5, at 9 o'clock from the residence to St. Joseph's church. Burial took place at St. Joseph's cemetery.

Mr. and Mrs. Frank W. Cherry, 422 Abbottsford road, Kenilworth, returned recently from a motor trip through the south. They were guests of their son, James C. Cherry, of Parkin, Ark.

Mrs. Maud Alsip Weigel, Former Resident, Dies

Mrs. Maud Alsip Weigel, of Tryon, N. C., formerly of Wilmette, died at her home in Tryon Saturday morning, April 6, after a lingering illness. Mrs. Weigel left Wilmette about ten years ago. She is survived by her husband, William Weigel, who is in the brick manufacturing business; a brother, Charles H. Alsip, of Evanston, and a sister, Mrs. Mildred M. Linn, of Media, Pa. The remains were brought to Chicago, and the funeral services were held Tuesday afternoon at 2:30 o'clock in the Rosehill chapel.

Magician to Entertain Wilmette School Pupils

Eugene Laurant, magician who is sent out by the School Assembly association, will make two appearances in Wilmette next week, one at the Stolp school Monday afternoon, April 15, and another at the Howard school Friday afternoon, April 19. Both demonstrations will be given at 3:30. Mr. Laurant's engagements in the large cities have attracted favorable press comment. Hindu magic, the craft of the ancient Chinese, and modern American illusions and mysteries are included in his program.

Miss Anna Louise Hughes, daughter of Bishop and Mrs. E. H. Hughes, 941 Sheridan road, who attends De Pauw university, spent her spring vacation with her parents. She had as her guest during that time, Miss Betty Piersol of Oklahoma City, who also is a student at De Pauw.

A Cross in the Circle Will Do It

Frigidaire

comes in several sizes and styles, and is the most popular of all electric refrigerators—more Frigidaires are sold than any other make.

The ELECTRIC Refrigerator with the COLD CONTROL

THE Cold Control is a new 1929 feature, found only on the Frigidaire, which gives an accurate control over freezing speed. You may set the dial to freeze ice cubes extra fast, or to freeze a dessert at the most suitable speed and have it ready at the hour you want it. At the same time, the proper temperature for refrigerating foods is automatically maintained.

Cold Control Demonstrations—Entire Week of April 9th to April 16th

You are cordially invited to call at our store and see the interesting demonstrations of the new Cold Control.
