### Mrs. W. J. Weldon Made Conservation Chairman

At the annual meeting of the Cook County Federation of Women's clubs held recently at the headquarters of the Illinois federation, Mrs. William J. Weldon, 1340 Greenwood avenue, was elected chairman of conservation. Mrs. Samuel Snow of Chicago is president of the Cook County federation.

In connection with her work on conservation, Mrs. Weldon took a party, composed of members of the board, to the Waukegan Flats on Thursday afternoon, for a study concerning the conservation of natural beauty of that region.

The committee is also interested in the passage of the new ordinance for the extinction of ragweed and other weeds which cause hayfever. The ordinance provides a penalty for all offenders whether owners of vacant lots or of improved property.

### Arlington Mecca for Society Folk; Races Open July 1

Society's rendezvous for July will include the Arlington Park race course, sufficiently close for our Chicago to enjoy the thrills of racing. Arlington is operated "not for profit," and sponsored by leading sportsmen and society persons, the brilliancy of the approaching twenty-nine days of racing is not to be underestimated.

The newly formed Post and Paddock club has among its members Joseph E. Widener, Barney Baruch, Admiral Cary T. Grayson, E. R. Bradley, Laurence Armogor, Britton I. Budd, Paul E. Gardner, Charles F. Glore, Alfred Ettlinger, Ralph Hines, Silas H. Strawn, Roy D. Keehn, John D. Hertz, Albert D. Lasker, Charles S. Pearce, Mrs. Robert R. McCormick, Otto Lehmann, E. J. Lehmann, John R. Thompson, Jr., Harold Foreman, Vincent Bendix, George Woodruff, Thomas E. Wilson, William M. Wright, Warren Wright, Charles A. McCulloch, Earl Reynolds, Vaughan C. Spalding, Edward N. Few tracks can boast such charm of equipment as Arlington. Improvements have been numerous over last year. High lights of the season from a social standpoint include opening day, July 1; the "Classic" July 13, a race for three-year olds with a stake of \$60,000 and the City and Suburban handicap on August 2.

Mr. and Mrs. Frederick O. Ebeling, 726 Ninth street, returned the early part of this week from a two weeks' motor trip through the East and southeastern Canada. Mr. Ebeling attended his twentieth class reunion at Cornell university.
