### CARDS OUT FOR DANCE

Invitations have been issued for a dance at the Evanston Country club on December 26. The hostesses are: Bettie Nelegar, Charlotte Hamilton, Loretta White, Eleanor Berger, Joan Sherritt, Mary Lent, Rosalie Roche, Marion Bopp, Ethel Belle Harlan, Bettie Sunderland, Ruth Kniepe, Charlotte Moody, Jean Thackeray, and Janet Healy. Before the dance the hostesses and their escorts will be entertained at the Shawnee Country club for dinner.

### Logan-Howard P. T. A.

The large attendance at the December 3 meeting of the Logan-Howard Parent-Teacher association filled almost to overflowing the new auditorium of the Howard school and the association is deeply indebted to the teachers of the two schools for the fine program given. The performance was presented smoothly and each number was evidence of the careful work of the teacher, credit also being given to the children who took part for their earnest effort and enthusiasm.

The first numbers were by Miss Clark's Glee clubs, composed of seventh and eighth grade pupils. The girls sang two selections, and the boys sang two, then they joined in singing the "Wilmette Loyalty Song" and two Christmas carols, "Silent Night" and "Come All ye faithful." The director and members of these clubs may well be proud of the work that the children are doing.

Miss Nash's second grade gave a play called "The Alphabet," which was very clever and entertaining. Then came Mrs. Hesse's kindergarten children, who showed their careful training in their prompt response to her music on the piano without any spoken instruction.

Miss Lindenmeyer's first grade sang Thanksgiving songs, followed by a Thanksgiving play by Miss Witcher's third grade, which pictured the first Thanksgiving. The children looked very quaint in their Pilgrim and Indian costumes. Indian dances in costume were given by Miss Gunderson's third grade. Five girls of Miss Larson's and Mrs. Mason's sixth grades sang a group of songs.

A play, "The Story of New York," based on geography lessons, was given by Miss Sherman's fifth grade. It was explained that this was written, directed, and worked out by the pupils themselves. The scenery, also made by the children, showed the skyscrapers of New York. A ship entered the harbor (propelled by a boy on his knees) and sailed past a living but very statuesque goddess of Liberty on a pedestal. A group of immigrants in their native costumes were welcomed by citizens of the city, who told of its transportation facilities, occupations, amusements and homes, and taught immigrants the salute to the American flag.

A short business meeting followed. Mrs. Smith, membership chairman, reported that we have 488 members, 500 being our goal for this year. Miss Lindenmeyer's first grade won the \$5 prize for being the first to reach the 100 percent. Mrs. Ford is room chairman. Nine other rooms also reached 100 percent each receiving a \$2.50 prize. Miss Berry's fifth grade room, Mrs. Davis, room mother; Miss Nash's second grade, Mrs. Evans, room mother; and Miss Gunderson's third grade, Mrs. Fisher, room mother. Miss Nash's second grade room won the attendance prize.

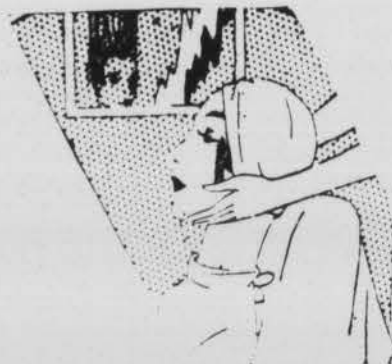

Mrs. Von der Hoff announced the first card party for the morning of January 10.

The meeting adjourned and refreshments were served, fifth grade mothers being hostesses.

Miss Dorothy Farrar, 1210 Greenwood avenue, Wilmette who returned home recently from the University of Illinois to visit her parents, Mr. and Mrs. Walter C. Farrar, brought with her, Miss Janet Price, a sorority sister of hers. Miss Farrar is Pi Beta Phi at the university.

—O—

John Robert Murray, son of Mr. and Mrs. John S. Murray, 433 Camnor road, Kenilworth will return to his home in Kenilworth on December 22, from Canada where he has been working for the past four months.

### Do You Know—

THAT, Mrs. Buck can NOT only bring out BEAUTY you did not KNOW you possessed. BUT her facials will REJUVENATE you, till YOU feel you've found THE fountain of youth.
