### New Directors of Credit Bureau for 1930 Are Elected

Names of the new directors of the Wilmette Credit Men's association were announced this week following a final checkup of the ballots. John Hoffman, A. C. Pearson, C. E. Rennekar, and William Taylor were chosen for two year terms and A. Van Deusen for a one year term. Mr. Pearson, whose term as a director of the association expired the first of this year, was reelected.

Names of ten candidates for the directorial positions appeared on the ballots which were mailed to the members of the credit men's organization. The four nominees receiving the highest number of votes automatically became directors for two year terms, while the nominee receiving the next highest number of votes was elected for a term of one year.

The holdover directors whose terms will expire at the end of this year are Paul Rensch, Lloyd Hollister, and J. H. Hughes.

At its earliest convenience the new board of directors will meet to choose a president, vice-president, and treasurer for the ensuing year. The retiring officers are: William Taylor, president, C. E. Rennekar, vice-president, and Dan G. Stiles, treasurer.

## INVESTING FOR PROFIT

**P**REFERENCE for Real Estate Mortgage Investments is increasing steadily. The cause for that preference is the realization that loss of principal in one investment out of all one's holdings, decreases the profit on the whole. The record of Evanston and North Shore Mortgage Investments is one of profit to holders.
