WESTMORELAND OPENING

Westmoreland Country club has issued invitations to its formal opening Saturday evening, May 10. Dinner at 7:30 o'clock will be followed by dancing.

Mrs. Hugh Petersen, 212 Warwick road, Kenilworth, with her son and daughter, Hugh Petersen, Jr. and Elise, have returned to their home after having spent a period of three weeks in Arizona. Hugh, Jr. has been in Arizona during the entire winter on a ranch and Mrs. Petersen and her daughter went out to accompany him home.

Kenilworth Union Church Historical Sketch Completed

Mrs. Harry Harrison and Mrs. Walter Marx have completed their historical sketch of the Kenilworth Union church. The sketch has been appearing in weekly installments in the church bulletin and will be printed in a brochure and distributed at the annual dinner and business meeting of the church on May 7, according to an announcement in the bulletin.

The last installment of the sketch, which appeared in the Sunday's bulletin of the Kenilworth Union church, reads as follows:

"With this issue the historical sketch of the Kenilworth Union church becomes current history. Dr. Willett's four years of vital leadership have been happy ones indeed for both church and Sunday school. Too much has been done to attempt to record here in detail, but the committee in charge plans to review and amplify the articles which have already appeared.

"Letters have been received from friends of early days showing sympathetic interest in this little chronicle. Mrs. Anne Martin Buehler writes from California of her efforts in aiding her father to secure some of the pastors who officiated during the first year of the church's existence. Mrs. William H. H. Sears, now in Pasadena, speaks with gratitude of Dr. Marx' influence on the young as well as the adults of his congregation.

"Three days before his sudden death last June, Mr. Walter Root had written an appreciative letter from New York, and Mrs. Root has since expressed her pleasure in recollections brought to mind by the bulletin. From Boston comes word from Miss Mabel Keyes Babcock, and from New York a letter from Dr. Charles S. Smith, both of them Kenilworth residents during the church's first year.

"Mrs. Bronson Peck and Mrs. Hermann Kasten speak of their interest in the mid-week meetings conducted by Dr. Horswell.

"These recollections, together with those of friends nearer at hand, will serve to enrich our material and it is hoped that the completed history will soon be ready for distribution."

N. T. Chess Team Plays

Morton in Return Match

The New Trier chess team was scheduled to meet Morton High school of Cicero in a return match Friday of this week at New Trier. In an earlier match at Cicero the north shore team tied with Morton, 3 to 3. On Friday, May 9, the New Trier chess players will engage Waukegan. Joseph Schumacher is the faculty sponsor of the New Trier chess team.
