Entertain Skokie Valley D. A. R. at Shawnee Club

After a two months' recess the Skokie Valley chapter of the D. A. R. held a meeting Monday at the Shawnee Country club with Mrs. Frederick Bowes of Evanston, Mrs. Howard Hodgkins of Winnetka, Mrs. Otto Ruth of Kenilworth, Mrs. Walter Mitchell and Mrs. W. A. Durgin of Wilmette as hostesses. This meeting marked the return of the regent, Mrs. Fannie Cope, from an extended trip to Honolulu.

The speaker of the afternoon was Mrs. Charles Pflager, national vice-chairman of the work at Ellis Island. She gave a very clear, concise outline of the work and aims at the island and told of the real moral and spiritual help being given by the earnest D. A. R. workers there. A plea was made for yarns to be used in the weaving and knitting done by the immigrants while waiting orders from the government. Anyone having old bits of yarn or old sweaters which can be unravelled are asked to leave the same with chapter chairman, Mrs. A. L. McDougal, Kenilworth 921. On Monday a shower was held for this work and the members either brought donations of wool, or money to buy yarns.

Mrs. E. L. Scheidenhelm gave a brief but glowing account of the recent National convention of the D. A. R. held in the new Constitution hall at Washington which she and Mrs. Frederick Bowes attended as representatives of the Skokie Valley chapter. At the next meeting in May, both Mrs. Bowes and Mrs. Scheidenhelm will give detailed accounts of the meetings which they report were most interesting.

The meetings are usually held in Washington during the cherry blossom season which gives an added incentive to be sent as delegate to this annual convention. Aside from this,

the actual achievement of the organization in completing this wonderful building is an inspiration.

Mrs. Bowes and Mrs. Scheidenhelm both report that the meetings were conducted with greatest dignity and quiet. There seemed to be little or nothing "belligerent" in the conduct of the officers and speakers, as is accorded by sensational newspaper reports. Every speaker was earnest and sincere and all were trying to do real constructive work in the way of patriotism.

The meeting adjourned for a delightful tea.
