A pleasant and effective laxative. 25c size 19c

ROMIG ENTERS FINALS IN ORATORICAL CLASH

Wins Semi-Finals in State Contest, Speaks for First Honors in Chicago Tonight

Alfred Romig of Glencoe won first place last Friday night in the semi-finals of a state high school oratorical contest being held in Illinois under the auspices of the Chicago Daily News to pick the champion high school orator of the state, who will later represent Illinois in a nation-wide contest.

The semi-final event in which Romig spoke last Friday was held at the Proviso High school in Maywood. Five schools were entered—New Trier, Aurora, Argo, Harvey and Belvidere. Romig's closest competitor was Henry Dyer of Harvey, who won the Union League club's oratorical contest for high school students in February.

Faces Six Competitors

Romig will speak at the state finals of the Chicago Daily News contest this Friday night, May 16, at Orchestra hall, Chicago. His competitors will include representatives of Proviso, Morgan Park, Geneseo, Urbana and Granite City high schools and of Lovola academy. Representatives of each of these schools won first places in sectional contests held throughout the state.

All orators entered in the Chicago Daily News contest must speak on some subject related to the United States constitution. "Democracy in the Constitution" is the subject of Romig's oration.

At the state finals in Chicago this week each speaker will be required to give a four-minute extemporaneous speech in addition to his prepared oration, which it not to exceed six minutes in length. The national contest will be held at Washington, D. C., on May 24.

Won First in Sectional

Romig, who has represented New Trier High school in several previous oratorical contests, received a prize of fifty dollars for winning first place in the sectional meet at Maywood last Friday. If he is successful in winning the state contest he will receive a five hundred dollar scholarship and a trip to Europe.

In addition to the prize for the winner a second prize of \$250 cash scholarship and a third prize of a \$100 cash scholarship will be awarded. Men notable in the state's judicial, business and professional life will act as judges.

Prof. William Reiley of the New Trier High school history department has been coaching Romig throughout his period of participation in the Chicago Daily News elimination contests.

Franklin Cooke Opens Motor Boat Sales Room

Franklin Cooke, a medical student at the McKinlock campus of Northwestern university and an outboard racing driver, has opened the North Shore Motor Boat sales at 1643 Sheridan road, "No Man's Land." He is handling all of the popular makes of outboard boats and motors and, in addition, the Chris-craft inboard speed boat. Mr. Cooke states that plans are under way to start a branch of the North Shore Outboard Motor club, founded in Evanston in 1928 and composed largely of Evanston residents, in the New Trier villages—Wilmette, Kenilworth, Winnetka and Glencoe. Facilities for storing the boats are offered to members of the North Shore Outboard Motor club at the Clark street beach in Evanston, and arrangements are being made, Mr. Cooke states, for storing boats at the Glencoe beach. The club annually sponsors a program of outboard races and cruises to various points on Lake Michigan.
