

Bridge and Dinner Dances Continue at Vista del Lago

The bridge luncheon today at the Club Vista del Lago will have as its hostess, Mrs. William H. Andrews of Wilmette. The next family dinner and bridge at the club is scheduled for Tuesday evening, May 20, with Mr. and Mrs. William Ogden Coleman of Winnetka host and hostess.

To conclude the season for both the bridge luncheons and the evening dinner bridge events, two special parties are to be given in June that are to be gala occasions on a large scale. One is to be Tuesday afternoon, June 3, the other, a dinner bridge, will take place the evening of June 17.

The Vista del Lago club and its members anticipate the special formal dinner dance Saturday evening, May 24, when Bert Rammelt's Vagabonds will play for the garden party planned for the occasion, Mr. and Mrs. Leslie A. Weary of Winnetka presiding at the members' table. Special entertainment and unusual novelties are to make the event outstanding. A record attendance heralded the musicale at the club last Sunday, the final one and the climax of the season. Most of the delightful Mother's day program given consisted of compositions by Mrs. Floy Little Bartlett of Winnetka. Mrs. Guy Stewart Bailey of Winnetka, because of a severe cold, was unable to sing all of the vocal program, and Mrs. Norma Hopkins Bosworth, who appeared at the club earlier in the season, graciously interpreted the song miniatures in a costume that might have been worn by Bach's mother.

From the lives of Bach, Haydn, Mendelssohn, Beethoven, Handel, and Mozart incidents were transcribed into music and song which enthused the parents and guests as well as the little children. Mrs. Bartlett herself interpreted the second number, the "Etiquette Group," which included "Dressing," "At the Table," and "Toothbrush Vacation," dramatizations of familiar episodes in every day child life. Mrs. Bartlett's little daughter, Miriam, played a piano solo and she and her mother gave a two-piano number before Mrs. Bailey beautifully interpreted a domestic group which held particular delight for the children with its clever surprises. Mrs. Bosworth ended the program with three beautiful solos.

The Sunday musicales, which have been enthusiastically received, are concluded until the fall months.
