

N. T. GROUP TO CONVEY GREETING TO OLD TRIER

High School Boys to Make Tour of Europe, Board of Edu- cation Sends Letter

When F. D. Frisbie, New Trier High school history teacher, conducts a party of New Trier boys on a tour of Europe this summer, he will take with him official greetings from New Trier township to old Trier, the famous German city from which New Trier takes its name.

At a meeting held last week the New Trier board of education voted to send a formal letter of greeting with Mr. Frisbie and his party to the ober-burgermeister of old Trier. The letter has been prepared, and it states that Mr. Frisbie's party has been delegated by the members of the board of education of New Trier High school as personal representatives to convey to the citizens of Trier, Germany, sincere good wishes and friendly regards of all residents of New Trier township.

Expression of Appreciation

The letter further explains that the visit of Mr. Frisbie and the New Trier boys to old Trier is to be an expression of grateful appreciation for the interest shown in New Trier High school by the oberburgermeister of old Trier.

Five boys—William Gage and Horton Kaufman of Wilmette, Dick Cooke and William Williams of Kenilworth, and Gerry Schnur of Glencoe—will tour Europe with Mr. Frisbie, and there is a possibility that one other boy will also be in the party.

The trip through Europe will be made by private car, instead of by motor coach as originally planned, and the party will sail from Montreal on June 27 for Liverpool.

Mr. Frisbie is faculty sponsor of the Tri-Ship Boys' club at New Trier High school. He has traveled previously in Europe and will go with the boys in the capacity of instructor to interpret the significance of the places and scenes visited.

Will Fly to Paris

Arrangements have been made whereby the members of the party will travel by airplane from London to Paris after they have toured England. They will be in Paris on Bastille day, France's great national holiday.

Another high spot of the trip will be a visit to Oberammergau, where the party will attend a performance of the world famous Passion play. Verdun, Rheims, Munich, Rome, Florence, Venice, Naples, Geneva and many other places of current or historical interest will be visited.

The boys will be in Switzerland for ten days of recreation in the Alps in the vicinity of both the Matterhorn and the Jungfrau after they have

toured Italy. On the return trip the party will sail from Le Havre on August 16.

Robert DuBrock, Former Winnetkan, Dies in Alabama

Robert Anderson DuBrock, son of Mr. and Mrs. George DuBrock of Fairhope, Ala., formerly of Winnetka, died last week, according to word just received here. Mr. DuBrock attended New Trier High school and was employed at R. H. Schell's dry goods store in Winnetka for about two years before going to war. His death was directly traceable to his service in the war, and he was buried Monday in Fairhope cemetery with military honors. He was 33 years old.

Mr. DuBrock volunteered for service when this country entered the war, expressing the wish to serve in the hospital corps because "he wanted to save life, not to take it." His wish was granted, and in this service his conduct was such that he was given citations by General Petain, Major George Barnett, and Major-General LeJeune for distinguished and exceptional bravery at St. Etienne and other engagements with the A. E. F.

Name Judges for Lens Club Amateur Photographic Tilt

Harry C. Pifer, Miss Josephine Altman and Robert Carpenter, members of the New Trier High school faculty, have been selected to act as judges in the picture contest being sponsored at the high school by the Lens club, amateur photographic group.

The contest will close on June 4, when all pictures must be in the hands of the committee in charge, including Caroline Schwarm, chairman, Saxton Barrett and Fred Wetterer.

Pictures submitted will be judged on the basis of photographic skill, interest of subject, correct exposure and composition. They will be divided into three groups, scenic, novelty and interior pictures.

Three prizes of three dollars each and one grand prize of not less than four dollars will be given with the money which is collected from a small entry fee charged each contestant.

The E. A. Kaumeyer family, 601 Linden avenue, are leaving by motor on Memorial day to pass the week-end at their summer place in Chiswaukee, Wis.
