## Evanston and Wilmette Playground Teams Clash

Evanston and Wilmette playground ball teams from the grammar school will meet next week to determine the north shore championship in playground ball. Wilmette teams will meet teams from Haven and Nichols and three teams will be selected from each school determined by weights. The Pee-wee teams from each school will represent boys weighing under 90 pounds, the lightweights, boys under 110 pounds, and the heavyweights, boys over 110 pounds.

Kenilworth's Joseph Sears school usually is a member of the North Shore league but because of conflicting schedules in track and field day events, will not be a member of the playground ball league.

The following schedule will be played:

Thursday, May 29, Wilmette at Haven. All weights.

Monday, June 2, Nichols at Wilmette. All weights.

Wednesday, June 4, Haven at Wilmette. All weights.

Thursday, June 5, Wilmette at Nichols. All weights.

## Eugene L. Ray Observes His Tenth Anniversary

Just ten years ago this month Eugene L. Ray established his photographic studio in Evanston, buying out the Root studio on the fourth floor of the Hoyburn building in Evanston. At that time doubt was expressed whether the town would support a studio in that location, the previous ventures there having met with varying success. But because of Mr. Ray's personal attention to every detail of the business and because of the quality of his photographs the studio under his direction soon struck a pace which has not slackened since.

Recently because of increasing demands which could not be met adequately in the old quarters, Mr. Ray moved his studio to a ground floor location in the University building on Chicago avenue just off of Davis street. The studio he has developed there is equipped with the latest facilities for creating the background, atmosphere and lighting effects required for the most modern photography. It is regarded as easily among the finest on the north shore. The studio is on the newly paved block of Chicago avenue which is expected to become one of the most important centers for high class shops in Evanston.

In celebration of the anniversary Mr. Ray is announcing special prices in this issue.

## SPOKE HOSTESSES

Spoke Twelve of the Presbyterian church was entertained Tuesday by Mrs. Charles Moody, and her mother, Mrs. C. E. Wells, at their home, 700 Forest avenue.

Mr. and Mrs. Edgar L. Fielding, 2034 Chestnut avenue, returned the early part of the week from a seven day motor trip to Louisville and Lexington, Ky.

Mrs. C. W. Culbertson, 919 Elmwood avenue, will visit friends in Chicago for several days next week.
