N. S. Chamber Music Gets Delightful Start

The opening concert of the current series sponsored by the North Shore Chamber Music Association took place last Sunday afternoon in Kenilworth Assembly Hall. The program was presented by the well-known and highly-regarded Muenzer Trio, composed of Hans Muenzer, violin, Hans Koelbel, violoncello, and Rudolph Wagner, piano, with Frederick Rittner, viola, assisting.

The numbers given by the players were "Trio Sinfonico" by Bossi and "Quartet in B Flat Major" by Saint-Saens. The first was an especially exquisite composition and executed with remarkable skill and unusual appreciation. The Saint-Saens number was well-received.

The second concert of this the seventh year of the association will be presented on Sunday afternoon, November 2, by the Lener String Quartet of Budapest. It is expected that this second concert will attract an even greater audience than that which gathered to hear the Muenzer Trio. The program begins at four.
