Football Game to Swell Fund for Legion Work

The annual football game between Culver and St. John's Military academies will be played Saturday, November 8, at Soldier's field, Chicago. The kickoff will be at 2 o'clock.

Authorities of the two schools have co-operated with the American Legion to arrange a program of magnificent display of maneuvers, with the entire proceeds to be donated to the Service Fund of the Cook county council of the American Legion. The funds thus derived will be available to all Legion posts in Cook county for their work in aiding disabled and unfortunate war veterans.

Aside from the football game the program, which will be a sort of prelude to Armistice Day, will include a military pageant by the cadets of both institutions including the famous Culver Black Horse troop, as well as by the cadets of Chicago high school R. O. T. C. units. Adding color and snap to the occasion will be a competition among the many drum and bugle corps of American Legion posts in the Chicago area. The Wilmette corps, state champion of Illinois in Class B, is scheduled to take a prominent part in the proceedings.

In aspect the colorful spectacle and excitement will resemble that which attended the Army-Navy game held at the same field two years ago.

Governors of Illinois, Indiana and Wisconsin will be present to review the gorgeous spectacle, as well as the commandants of Great Lakes Naval Training station and Fort Sheridan, commanding officers of Culver and St. John's and the national and state commanders of the American Legion.

For the convenience of Wilmette residents tickets are on sale at the Rennecker Drug company, Central Avenue pharmacy, Menghinelli confectionery, "L" Terminal news stand, and Winberg drug store.
