**"Mum" Show Opens at Garfield Park Nov. 8**

The West Chicago Park commissioners announce the official opening of the annual Chrysanthemum Flower show at Garfield Park Conservatory, commencing November 8. This stupendous floral exhibiton will be the most elaborate and beautiful in Conservatory history and flower lovers who have eagerly awaited its opening will be pleased to hear that the Chrysanthemum show will continue over a 23-day period closing on November 30, inclusive. To accommodate the multitude of visitors, the conservatory will be open from 8 a.m. to 10 p.m. daily and Sunday, by order of the West Park board. A trip to the conservatory at night makes it possible to enjoy the plant beauties beneath a myriad of electric lights, resulting in a mysteriously enchanting display. The Flower show is equally lovely with either light, but each effect is distinctly different and therefore visitors are urged to come at both times to view this gorgeous exhibition.

**Ask Repeal of "Bail" Law to Curb Criminals**

A resolution has been drawn up by the Wilmette Chamber of Commerce for the repeal of the state law which now permits the release of a criminal on bail after his conviction until such time as his appeal may be decided.

B. T. Clark, secretary of the Wilmette Chamber of Commerce, announced on Monday night that copies of this resolution had been sent to the Chamber of Commerce of the United States, Illinois Bar association, Illinois Chamber of Commerce, Chicago Association of Commerce, and other chambers of Commerce throughout the state.

Repeal of the present law would do away with much of the woe now caused by convicted criminals who are at large, it was pointed out. Persons in favor of repealing this law ask that criminals be confined until such time as their appeal may be decided.
