

Wilmette Playground and Recreation Activities

Basketball Heads Winter Sports of Recreation Board

Basketball will be the major sport on the calendar of the Wilmette Playground and Recreation board for the 1930-31 season which has its official opening next Monday evening, according to the schedule announced by Daniel M. Davis, director of recreation.

Three evenings for women and three for men will be allotted to basketball throughout the winter and there is a possibility that another evening for men will be added later in the season, because of the numerous inquiries made at the Recreation office.

The program as outlined by Mr. Davis fills each of the two school gymnasiums each evening with the exception of Saturday and Sunday evenings. Most of the new activities added this year have been in the basketball league since Wilmette in common with most of the other North Shore recreation centers, has found that sport to be by far the most popular on the calendar with both men and women.

Gyms in Full Use

Since the demand for use of the gymnasiums has increased to such an extent that a hot rivalry between the men and women recreation workers has sprung up for the use of the gymnasiums for certain activities, the program has been doubled for each gymnasium this year. Mr. Davis has made a ruling that no group activity which has not an average attendance of 25 per evening will be allowed the use of a gymnasium for more than an hour and a half per week. However, the ruling does not exclude the introduction of any new activity for which there is popular demand.

The program, as in times past, as announced by Director Davis, has been outlined to give every adult over 15 years of age an opportunity to participate, without paying any kind of fees, in any phase of recreation in which he is interested.

As outlined for each evening, the program reads:

Stolp Gymnasium

Monday—Girls' basketball.
Tuesday—Girls' basketball.
Wednesday—Men's basketball.
Thursday—Junior Boys' basketball.
Friday—Illinois Bell Telephone Company basketball.

Friday—Aero club for boys.

Howard Gymnasium

Tuesday—Grammar School gymnasium class for girls (girls who do not have gymnasium work in school alone are eligible).

Tuesday—Business Girls' gymnasium class.

Wednesday—Basketball for men.

Thursday—Gymnasium class for women.

Friday—Gymnasium class for men.

Friday—Basketball for men.

The schedule will be effective until the end of the spring program next April.

Losers Will Fete Star Athletes of Sears School

The fourth and fifth grade pupils at the Joseph Sears school will hold a dinner on Friday night, November 14. For purposes of competition pupils at the Kenilworth school are divided into two groups, Wildcats and Tigers. Based on the various athletic events during the fall season the fourth grade Wildcats and the fifth grade Tigers were the winners, and they will be entertained by the losers.

1,900 Participate in Hallowe'en Fetes

Recreation authorities estimate the crowds attending the annual Hallowe'en parties at Stolp and Howard school gymnasiums last Friday evening at 1,900 children and adults.

Moving pictures and accordionists furnished the entertainment from 7 o'clock until 10 o'clock and refreshments were served following the program.

The parties were sponsored by the Special Occasions committee of the Playground and Recreation board of which George H. Redding is chairman. Members of the board acted as judges at the two schools. Prizes were awarded to couples and individuals having the most typically Hallowe'en costumes.

Milton E. Reid acted as master of ceremonies at the Stolp party and Director of Recreation Daniel M. Davis served in a like capacity at Howard gymnasium.

Assisting Mr. Reid were Mrs. Herbert J. Leach, Ernest C. Cazel, R. M. Johnston, Mrs. Ernest H. Freeman, Mr. and Mrs. Lincoln C. Torrey, Mrs. Harvey A. Craig and Mrs. R. W. Armstrong.

Those who assisted Mr. Davis at Howard were Henry Fowler, George H. Redding, Mrs. Harvey A. Bush, Mrs. E. M. Simonds, Mrs. H. O. von der Hoff, and Mrs. H. A. Storms.

Joliet Eleven Will Invade New Trier Grid Saturday

New Trier High school's 1930 football team will make its last appearance on the home field this Saturday, November 8, against Joliet. Although defeated twice this season, by Oak Park and Evanston, New Trier is favored to win from Joliet, whose 1930 season has not been a good one. Joliet lost to St. Ignatius of Chicago last Saturday 8 to 6. New Trier held the strong Evanston and Oak Park elevens to victories by margins of only one touchdown. Next week New Trier will close its Suburban league season, playing Deerfield at Deerfield. Thus far this season New Trier has three victories, one tie, and two defeats to its credit.

Kenilworth Boy Scouts Give Successful Party

Robert W. Townley, athletic director at the Joseph Sears school in Kenilworth, reports that the party given last Saturday night in the school gymnasium by Kenilworth Boy Scouts was a decided success. About 150 persons were in attendance.

Extend Award of Year-round Sports Trophy

Competition for the year-round victory trophy awarded annually by the Playground and Recreation board to the organization winning the most points during a year of participation in the athletic leagues, has been extended a half-year before the next awarding, according to a new rule announced by Director of Recreation Daniel M. Davis.

The trophy was awarded this September to the Schultz and Nord teams which will retain possession of it until May of 1932. The ruling was made so that the awarding of trophies will conform with the date of the closing of the fiscal year of athletic activities and can be awarded on the occasion of the annual banquet of the recreation council and participants.

The trophy is awarded to the organization attaining the most points and the points may be won on the following basis:

Twenty-five points for first place in any league; 20 points for second place in any league; 15 points for third place in any league; 10 points for fourth place in any league; 5 points for sportsmanship and 5 points for reliability.

New Trier's Two Touchdowns Fail to Halt Evanston

Evanston High school's powerful football eleven continued its march towards the 1930 Suburban league title by downing New Trier last Saturday 20 to 12 in a game that furnished plenty of thrills for the partisans of these two old rivals on the gridiron.

The one touchdown margin that Evanston gained in the first quarter of the game was enough to clinch the victory. Kein, Evanston fullback, plunged across New Trier's goal line after a march down the field. After this touchdown neither team scored in the first half, which ended 7 to 0 in favor of Evanston.

In the third quarter a New Trier pass, Lind to Wolff, placed the ball within scoring distance, and George Boylston, smashed through for New Trier's first touchdown after two attempts. But Kein soon repeated his earlier performance to give Evanston a 14 to 6 lead.

Both teams scored again in the fourth quarter. Nickel tossed two passes to Wolff that placed the ball on the Evanston 8-yard line and then scored on a short end run. Evanston's touchdown in the final quarter was the result of a short pass from Sullivan to Goacher, right half-back, who ran about five yards to the goal.

In the matter of first downs New Trier was outclassed 17 to 6. Evanston completed four out of eight passes and New Trier five out of nine.

The New Trier freshman-sophomore team lost to Evanston 20 to 0.
