

## MISS HAYES IS HONORED GUEST

### Wilmette Teachers' Club Gives Banquet for Retired Principal of Stolp School

Sixty-four persons attended the banquet given by the Wilmette Teachers' club for Miss Margaret Hayes at the Shawnee Country club on Wednesday night, November 5. Miss Hayes, who taught in the Wilmette Public schools for twenty-five years until her retirement this year, was president of the teachers' club during her last three years in the Wilmette schools and was principal of the Stolp school for five years.

The dinner was followed by a program which included talks by Supt. J. R. Harper and Miss Nelle E. Moore, elementary supervisor in the Wilmette Public schools, and the presentation of a gift—a string of topaz beads—to Miss Hayes by Miss Herma Wyman on behalf of the Teachers' club.

Following Miss Hayes' acceptance of the gift the teachers spent the remainder of the evening playing bridge.

Miss Hayes has recently been given copies of two resolutions, one from the Wilmette board of education and one from the Central-Laurel Parent-Teacher association. The board of education's resolution read as follows:

"The school board of Wilmette wishes to express to you, Miss Hayes, their deep appreciation for your untiring efforts educationally in behalf of the children of Wilmette and your invaluable contribution to the better understanding of what education in the broader sense means to both parents and children.

"May this wonderful spirit you've inculcated in others return to you an hundred fold."

The Central-Laurel Parent-Teacher association expresses its appreciation of Miss Hayes in this manner:

"The Central-Laurel Parent-Teacher association of Wilmette wishes to express its gratitude and love to its loyal worker and trusted friend, Miss Margaret Hayes. It would be difficult to find anyone who has cared more for the welfare of each and every child who has gone from our homes into the public schools than has Miss Hayes. Her interest was quiet, but deep and purposeful. Her ideals of how the school and home should work together will not be forgotten, even though she is not in our school any more."

## RELIEF FROM CURSE OF CONSTIPATION

Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store—Rennekar Drug Co.
