

SAVE SAFETY

EVER since we've
LIVED in Wilmette
WE'VE noticed
THAT every year we
HAVE winter, and
DURING the winter
WE invariably have
COLD weather!
AND another thing
WE'VE noticed is
THAT when cold
WEATHER comes,
AUTOMOBILE
RADIATORS very
OFTEN freeze up and
"BUST" and run all
OVER the pavement.
MAKING the owners
PEEVED and very
PROFANE! And
WE just want you to
KNOW that we are
SUPPLIED with
DENATURED or
GOOD alcohol,
THE non-freezable
LIQUID that will
SAVE you no end of
GRIEF and expense—
BETTER fill up
BEFORE it's too
LATE.
QUALITY has no
SUBSTITUTE!

East Orange Daily Lauds Dr. Stifler

Dr. Francis Carr Stifler, former pastor of the Wilmette Baptist church and now pastor of the First Baptist church of East Orange, N. J., is accorded praise in a recent edition of the North Jersey Courier, a daily newspaper, for his aggressive leadership in church work at East Orange.

In the article Dr. Stifler is characterized as the "Theodore Roosevelt of the Baptist church."

"Dynamic is the best word to describe Dr. Stifler," the writer comments. "So strenuous is the life he leads, so wide his activities and so varied his acquaintances, that he might well be styled the Theodore Roosevelt of the Baptist church."

"Although he has lived in East Orange only two years," continues the article, "Dr. Stifler's work as pastor of the First Baptist church has made him one of the recognized leaders among the city's clergymen. Through his efforts the church plant has been doubled and its activities widely expanded."

G. T. Hellmuth Named Official of Safety Body

G. T. Hellmuth, 1700 Forest avenue, Wilmette, general claims attorney for the Chicago, North Shore and Milwaukee railway, has been elected vice-president in charge of administration of the National Safety council. Mr. Hellmuth was elected at the recent session of the National Safety Congress held in Pittsburgh, Pa.

During the past year Mr. Hellmuth served as vice-president of the National Safety council for membership. His position as vice-president in charge of administration, created this year, is characterized as a great responsibility since it virtually places Mr. Hellmuth in charge of the national organization's activities during the year.

"Heretofore," reads a comment, in "The Highball," Chicago, North Shore and Milwaukee railway periodical, the problems of administration were handled by a committee. The new vice-presidency was created in view of the growing importance of administrative functions."

The Garrick club of Lake Forest college will present its second vehicle of the season on November 19 and 20 when the freshmen offer Martin Flavin's "Broken Dishes." Russell C. Tomlinson, director of the Players, has the play under rehearsal and indications point to the fact that "Broken Dishes" will be as big a hit at Lake Forest as it was on Broadway last year. Virginia St. Clair of Wilmette is in the cast. She is the daughter of Mr. and Mrs. Percy R. St. Clair, 422 Ninth street.
