Logan-Howard P. T. A.

At the November meeting of the Logan-Howard P. T. A. the school orchestra director, Catherine Granquist Wagner, announced that there are several instruments, owned by the schools, which are available to children who wish to use and study them, later perhaps, becoming members of the orchestra. There are a flute, a clarinet, two violins, and a cello, which every child is welcome to use, provided he or she will learn to play the instrument.

Catherine Wagner gave a group of violin solos at our November meeting and her husband, Albert Wagner, sang some baritone numbers. Both were accompanied at the piano by Arthur Granquist, and we greatly appreciated this splendid music.

This evening, November 14, the Logan-Howard P. T. A. will hold a benefit card party in the gymnasium of the Howard school. Tables for bridge, five hundred, and buncos will assure a good time for all. The proceeds are for a child welfare fund, so come and help pay for a pair of glasses or dental care for some child handicapped for want of such attention.

Dr. and Mrs. C. G. Smith of 1325 Greenwood avenue had Mr. and Mrs. Ray Wilson of Lincoln, Neb., as their guests for several days last week.
