In Art Lecture

The art committee of Shawnee Country club announces for Sunday afternoon, November 23, at 3:30 o'clock, a lecture by Dr. James Cousins of India. Dr. Cousins will bring and explain 110 water color paintings by living artists of India.

It will be the only opportunity people of this locality will have to hear him. He is a lecturer and educator of wide experience and this is his second world tour in the interests of international understanding through art.

Dr. Cousins edits the "Rupam" the most important art journal in the Orient. He is well known all over the world of art as an educator of the highest order. He has published twenty books of original poems, twelve of prose and many pamphlets on art topics. The pictures will remain in the walls November 23, 24, and 25.

Dr Cousins will return to Chicago on November 30, and again will be at Shawnee, where members will be introduced to him preceding the musicale by George Sample on that afternoon.

Mrs. C. H. Smith of 711 Laurel avenue recently has returned from a five months' stay in Alanson, Mich., where the Smiths have a summer home which Mrs. Smith closed for the winter.
