## Will The Postman Bring You A CHRISTMAS CHECK?

Within the next few days The Wilmette State Bank will mail thousands of dollars in holiday checks to members of its 1930 Christmas Club.

If one of these Christmas checks comes to your house, it will bring you the joy of having adequate funds for Christmas planning. Nevertheless, you will want to make ample preparation for your 1931 Christmas expenditures by enrolling *now* in the *new* Savings Club now forming and assure yourself an even larger amount than this year.

There is a club class that will enable you to save exactly the amount you require. Your signature and your first payment will make you a member—fifty moderate weekly deposits will do the rest!
