PLAN \$50,000 FUND CAMPAIGN

Gen. Robert E. Wood to Be General Chairman of Boy Scout Financial Drive

Gen. Robert E. Wood will head a campaign for a \$50,000 camp and maintenance fund to be conducted by the North Shore Area council, Boy Scouts of America, during January and February, according to an announcement yesterday by Henry Fowler of Wilmette, chairman of the finance committee and acting president of the council. General Wood lives in Highland Park and is president of Sears Roebuck and company.

The North Shore Area council supervises Boy Scout troops and activities on the north shore from Wilmette to Arden Shore, inclusive, and in west north shore towns from Glenview to Libertyville. The purpose of the campaign is to raise funds to provide adequate facilities for an increased number of boys at the council's summer camp in the Wisconsin Woods, Camp Ma-Ka-Ja-Wan, as well as to maintain the 1931 program of activities for the 2,550 Boy Scouts, Cubs and Sea Scouts indicated as the expected enrollment in 1931 in the North Shore Area council. The effort will culminate in an intensive campaign during annual Scout Anniversary Week February 8 to 14, inclusive.

"We are very fortunate in securing General Wood's acceptance to head this forward step," said Albert P. Snite, of Highland Park, national representative of North Shore Area council and former president of the organization, in commenting on the campaign last night. "This is the first centralized financial effort which has been engaged in by north shore people on behalf of Scouting. Our council is growing so fast in number of Scouts and in training activities that a forward step in financing has been made imperative. We now have sixty-one units of Sea Scouts, Boy Scouts and Cubs with every indication that this number will be increased to 110 during 1931. Under General Wood's leadership we look forward to a happy and successful campaign."
