## Christian Science Churches

"GOD" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, January 4.

The golden text was "Behold, God is my salvation; I will trust, and not be afraid" (Isaiah 12:2).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last. Mine hand also hath laid the foundation of the earth, and my right hand hath spanned the heavens: . . . I am the Lord thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go" (Isaiah 48:12, 13, 17).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is. Spirit, Life, Truth, Love, combine as one—and are the Scriptural names for God" (p. 275).
