Planned for Spring Opening

# A Sale of very Sheer Chiffon Hose

at \$1.00

Three-thread, and the closely woven quality known as 48-gauge.

A quality originally \$1.95, we featured it in a sale a few months ago at \$1.29. In two days the entire quantity was sold out—and ever since our customers have been asking us when we'd have more of them!

And now we have  
them at \$1!

Not all we wanted by any means—and not all our customers will want—so it's best to shop early.

These Spring Shades:

Mayfair	Gunmetal
Putty Beige	Matinee
NuBrown	Dusk Gray

Picot tops, of course
